

HIMACHAL PRADESH GOVERNMENT FOREST DEPARTMENT

**WORKING PLAN FOR THE
FORESTS OF**

**JOGINDER NAGAR FOREST DIVISION
HIMACHAL PRADESH**

FOR THE PERIOD

(2022-23 TO 2031-32)

(VOLUME-II)

CONTRIBUTED BY

SH. RAJIV KUMAR, HPFS

THE THEN DFO

FINALLY SUBMITTED BY

SH. RAKESH KATOCH

**DIVISIONAL FOREST OFFICER
CUM**

WORKING PLAN OFFICER

Under the guidance of

*Chief Conservator of Forests,
Mandi Forest Circle, Mandi, HP.*

*Chief Conservator of Forests,
(Working Plan & Settlement) HP at Mandi.*

Contents

Sr. No	Particulars	Pages
1.	List of Demarcated protected Forests (D.P.Fs) in Joginder Nagar Division Range/Block & Beat wise	1-15
2.	List of un- demarcated Protected Forests (U.P.F.) Range/Block/ & Beat wise.	16-19
3.	List of DPFs Notifications	20-28
4.	Area Statement Joginder Nagar Working Plan (List Working Circle Wise in DPFs)	29-44
5.	Deodar & Kail Working Circle Area Statement	44-45
6.	Chil Working Circle Area Statement	45-49
7.	Fir Working Circle Area Statement	49-50
8.	Protection Working Circle Area Statement	50-55
9.	Plantation Working Circle Area Statement	56-60
10.	Enumeration Results:- Deodar Working Circle	61-66
11.	Enumeration Results:- Chil Working Circle	67-78
12.	Enumeration Results: - Fir Working Circle	79-81
13.	Enumeration Result:- Protection Working Circle	82-101
14.	Enumeration Result: - Plantation Working Circle	102-116
15.	Status of Natural Regeneration	117-142
16.	Comparitive statement of Working Circle	143-163
	Appendix	
1	Appendix-I- Introduction Gloossary of local terms user in the Plan Glossary of local terms	164-170
2	Appendix-II- List of common trees, shrubs, herbs and climbers found in J/Nagar Forest Division.	171-177
3	Appendix-III- List of common Animals and Birds	178-182
4	Appendix –IV- Name and existing forest road/ bridal paths	183-187
5	Appendix –V- Proposed forest road/ bridal paths	188-189
6	Appendix –VI- List of existing buildings under Joginder Nagar Forest Division.	190-192
7	Appendix –VII- List of proposed buildings under Joginder Nagar Forest Division.	193
8	Appendix –VIII- Participatory Forest Management Rules- 2001.	194-198
9	Appendix –IX— Forest Settlement Report of Mandi State Forest	199-220

Notification

1	Notification: - Reorganization of territorial and wildlife divisions due to exclusion/ inclusion of certain areas of national parks and sanctuaries	221-226
2	Notification: - Ek Buta Beti Ke Naam Yojana	227-236
3	Notification: - Vidyarthi Van Mitter Yojana...	237-242
4	Notification: - Grant in aid rule 2002	243-246
5	Notification: - Grazing	247-248
6	Notification: - HP Land Preservation Act 1978 Amendment of felling of trees Private land 2021	249-251
7	Notification: - FRA, 2006	252-253
8	Notification: - FCA, 1980	254-257
9	Notification: - Reg. DFO Having Powers of Collectors	258
10	Notification: - Wildlife and Human Conflict	259-260
11	Notification: - FFE-B-A (3)-1/2017 dated 08.02.2021, regarding no restriction on felling trees	261-262
12	Notification: - FFE-B-A (3)-5/2020 dated 17.02.202, regarding trees on private land exempted for transit pass	263-264
13	Notification: - FFE-B-A (3)-1/2017	265-266
14	Notification :- No.Fts.(B)-7-16/85-II dt. 26.10.98, regarding loss caused by the wild animals to the personal properties of the public	267-268
15	Notification: - Powers Delegated under Section 5(2) - The Indian Wild Life (Protection) Act, 1972	269

INDRODUCTION GLOSSARY OF LOCAL TERMS USER IN THE PLAN GLOSSARY OF LOCAL TERMS

Sr. No.	LOCAL TERM	ENGLISH EQUIVALENT
1	Abadi.	A village habitation
2	Abi.	Irrigated
3	Adna Malik.	Inferior owner
4	Ala Malik.	Superior owner
5	Ala malkiyat.	Superior ownership
6	Atiala.	A raised platform around a tree
7	Banjar Jadid.	New fallow. No cultivated for more than four successive year
8	Banjar Kadim.	Old fallow. Not cultivated for the last eight successive years
9	Ban Kharetar.	Hay land in the forest
10	Ban Muafi.	Forest around owned by villagers
11	BanSarkar (GairMehdooda)	Un-Demarcated Protected Forests where land belongs to the individuals or a group of individuals and natural tree growth or planted by Forest Department belongs to the Government
12	Ban Sarkar Malkiyat (Mehdooda).	Demarcated Protected Forests where land belongs to individuals or a group of individuals and is assessed to land revenue
13	Barani.	Un-irrigated land, dependent on rain

14	Bartan.	Rights admitted in Forest Settlement
15	Bartandars.	Right holders
16	Bauli or Bauri.	A natural spring of drinking water
17	Bahand Banjar.	Occasionally cultivated
18	Burjee.	A boundary pillar
19	Chak.	Part of land
20	Chak Ban.	An area maintained as a forest jointly by few tika
21	Chakdakhli.	An area taken out from the tika and entered into other to facilitate revenue control
22	Chakkharji.	An area taken out from the tika
23	ChakShamlatdeh.	A piece of Ban Sarkar area surrounded by Demarcated Protected and Reserve Forest
24	Chalotu	A chil pole
25	Chand.	Boundary pillar of tika
26	Changer.	A rain fed inferior area
27	Charand	Grazing ground
28	Chillaru.	Dry leaves of Chil
29	Cho.	A seasonal nallah not more than 50 feet in depth
30	Choharam.	Share of the forest Rakha from the sale proceeds of forest produce
31	Chowkidar.	A village watchman
32	Dandi	A foot path

33	Darya	A river
34	Dhaura.	A white
35	Dhar.	A ridge
36	Devta.	A local deity
37	Drat.	A sickle for cutting bushes and trees
38	Drati.	A sickle for cutting grass
39	Gaddies.	A community of migratory graziers keeping sheep and goats
40	Gairmumkin.	Barren land under buildings, roads, paths and streams
41	Gaula.	A pass
42	Ghanera	Ruins of village habitation
43	Gharal	A shed for cattle and stiring grass
44	Gharat.	A water mill for grinding purpose
45	Gohar.	A path
46	Goharn	A cattle shed
47	Goth.	A grazing run
48	Gujjars	A community of migratory graziers keeping buffaloes
49	Hadbast number.	A serial number given to a village, at the time of revenue settlement
50	Haldun.	Flat fertile ground with deep soil
51	Har.	A continue stretch of agriculture fields

52	Haq.	Right
53	Haqchuhram	Zamidari share means one fourth share in sale proceeds of tree and grass etc. in Ban Sarkar areas
54	Hath.	A linear unit, approximately equal to (18 inches)45cm
55	Jagnu.	Chil splinters used for lightning fire
56	Jagir.	A Estate awarded to an individual by the British for an act of bravery etc
57	Jagirdar.	Owner of the Jagir
58	Jamabandi.	Three years record of land maintained by revenue department
59	Jungle Mehdooda.	Demarcated Protected Forest
60	Jungle Mehfooja.	Protected forest
61	Junglegairmehdooda and mehfooja.	Un-demarcated Protected Forest
62	Karam.	A linear unit equal to 57.5 inches=146.05 cm
63	Katha	A tannin obtained from Khair trees
64	Khad/Khalla.	A stream perennial or seasonal
65	Kharetar.	Hay field owned by individuals
66	Kharif	Autumn harvest
67	Khasra.	A field number given on the village revenue records
68	Khola.	A small valley
69	Kohli.	A person looks after distribution of irrigation water in the village
70	Kotwal.	Manager of an area or Station House Officer

71	Kuhl.	An artificially constructed channel, for irrigation and running watermill
72	Kuhly.	Land irrigation through kuhls
73	Lahr.	Fields near the habitation
74	Lamberdar.	A village headman who collects the revenue
75	Langhana.	A Y-shaped wooden obstruction for cattle but a passage for men in brush wood fence
76	Makbooja.	Possession
77	Mali.	Gardener
78	Mandir	A temple
79	Manu.	Current year's shoot
80	Marla.	A revenue measuring unit 9 sq. Karam
81	Mauza.	A unit constituted by a member of tika for purposes of revenue departments
82	Nadi.	A stream
83	Nallah.	A small water channel or a torrent not more than 50 ft. in width
84	Naun.	A spring used for bathing washing purposes
85	Nautor	Breaking of land for purposes of cultivation off habitation for the first time
86	Palam	Irrigated Paddy area
87	Panch	A member of Panchayat
88	Panchayat.	A body of Panches forming a village management committee
89	Patrah.	Tree fodder

90	Patwar.	A group of villages forming a Patwar Circle
91	Patwari.	A revenue official incharge of a Circle
92	Quila	A fort
93	Rabi	Spring crop
94	Raja or Rajah.	A ruler
95	Rakha	A person appointed for the protection of forests who collects grains from right holders and gets Choram from sale of forest. Produce for his services
96	Sarhada	Tri junction pillar of tree tikas
97	Sarpanch.	A person head of Gram Panchayat
98	Sawana.	Gujjar's encamping an
99	Sajra.	A village field map
100	Sawanadars.	Right holders of Sawama
101	Shamlat.	A village common land
102	Taluqa.	A management unit fixed by Revenue Department
103	Talab	Water pond
104	Thatch.	Grazing grounds in the forests in higher reaches
105	Tehhdari.	Owner of the all layers of soil
106	Tehsil.	A sub division of a District made for the purpose of a administration
107	Terhai.	Closed area.

108	Terni	Grazing fee of sheep and goats
109	Tika	The smallest unit of area forming a part of mauza for purpose of revenue administration (a village)
110	Un classed	Ban Sarkar area not declared as Protected forests under Indian Forest Act
111	Uperla	Upper
112	Zamindar.	A land lord
113	Zamindar share	A share granted to right holders and village servants paid out of revenue derived from sale of trees of grass etc. from Ban Sarkar area

Appendix-II

LIST OF COMMON TREES, SHRUBS, HERBS, AND CLIMBERS FOUND IN JOGINDER NAGAR FOREST DIVISION

Sr.	N. Botanical Name	Family (Tree)	Local Name	English Name
	Trees			
1	<i>Acacia nilotica</i>	Fabaceae	Babool	Gum Arabic tree
2	<i>Acacia Catechu</i>	Leguminosae (Mimosaceae)	Kikar	
3	<i>Acer Cecsium</i>	Leguminosae (Mimosaceae)	Khair	
4	<i>Acer Cecsium</i>	Sapindaceae	Mandru, Mondor	Maple
5	<i>Acer oblongum</i>	Sapindaceae	Perange	
6	<i>Acer Sterculiaceum</i>	Sapindaceae	Chirandru	Maple
7	<i>Adina Cordifolia</i>	Rubiaceae	Haldu	
8	<i>Aegle marmelos</i>	Rutaceae	Bel, Beelgiri	
9	<i>Aesoulus Indica</i>	Sapindaceae	Khanor	Horse Chestnut
10	<i>Ailanthus alissima</i>		Ailanthus	Allanthus
11	<i>Albizzia Procera</i>	Leguminosae (Mimosaceae)	Siris (White)	-
12	<i>Albizzia Chinensis</i>	Leguminosae (Mimosaceae)	Ohi	-
13	<i>Albizzia Lebbek</i>	Leguminosae (Mimosaceae)	Siris (Black)	-
14	<i>Albizzia odoratissima</i>	Leguminosae (Mimosaceae)	Siris	
15	<i>Alnus Nitida</i>	Cupuliferae	Kosh, Kunish	Alder
16	<i>Alnus neplensis</i>	Cupuliferae	Kosh	Alder
17	<i>Anogeissus latifolia</i>	Combretaceae	Dhou, Chhal	-
18	<i>Bauhinia pururea</i>	Leguminosae	Karala (Kachnar)	-
19	<i>Bauhinia variegata</i>	Leguminosae	Kachnar, Karala	-

20	<i>Betula Alnoides</i>	Cupuliferae	Bhojpatra	Birch
21	<i>Bombox Caiba</i>	Bombacacae	Semal	Red cotton tree
22	<i>Buxus walliciana</i>	Euphorbiaceae	Shamshed	Box wood
23	<i>Broussonetia papyrifera</i>	Niraceak		Paper mulbery
24	<i>Careva viminsa</i>	Myrtacea		Pool
25	<i>Carpinus viminsa</i>	Cupuliferae	Khirk, chevs	Himalayan Horabean
26	<i>Cassia Fistula</i>	Caesalpinniaceae	Amaltas	India
27	<i>Cassia siamea</i>	Caesalpinniaceae		laburnum
28	<i>Cassia frondosa</i>	Caesalpinniaceae		
29	<i>Callistemon viminalis</i>	Myrtaceae		Bottle brush
30	<i>Casema elliptica</i>	Samydaceae	Pimple, Goels	
31	<i>Cedrela serrata</i>	Melieaceae	Darle	Toon
32	<i>Cedral Toona</i>	Meliaceae	Tooni, Tun	Deodar
33	<i>Cedrus deodara</i>	Coniferae	Kelo. Diar	Nettle tree
34	<i>Cellis australis</i>	Urticaceae	Khirok	
35	<i>Citrus limitta</i>	Rutaceae	Jhamirdi	
36	<i>Cordia dichotoma</i>	Boraginaceae	Lasura	
37	<i>Cordia vestita</i>	do-	Lasura	
38	<i>Comus capitata</i>	Cornaceae	Kreeva	Dog Wood
39	<i>Comus macrophylla</i>	Cornaceae	Kreeva	Dog Wood
40	<i>Corylus jacquemontrii</i>	Cupuliferas	Sharol	Hazlenut
41	<i>Cupressus</i>	Conifarae	Saru	Pyremidal Cyprus
42	<i>Semparvirans</i>	Papillonaceae	Shisham, Tali	Sissoo
43	<i>Delbergia sissoo</i>		Bakli	
44	<i>Ehretia acuminata</i>	Boraginaceae	Chamror	
45	<i>Ehretia laevis</i>	Boraginaceae	Amla	
46	<i>Emblica officinalis</i>	Euphorbiaceae	Samma	
47	<i>Engelhardfua</i>	Juglandaceae		
48	<i>colebrookiana</i>	Papilioneceae	Pariara	Coral tree

49	<i>Erythrina suberosa</i>	Myrtaceae	Safada	River red gun
50	<i>Eucalyptus commaldunsis</i>	Myrtaceae	Safada	Lemon scented gun
51	<i>Eucalyptus globulus</i>	Myrtaceae	Safada	Blue gun
52	<i>Eucalyptus grandis</i>	Myrtaceae	Safada	Rose gun
53	<i>Eucalyptus hybrid</i>	Celastraceae	Kala chindwara	Indian spind tree
54	<i>Eunynus tingens</i>	Celastraceae	Kala chindwara	
55	<i>Euonymus lacerus</i>	Urticaceae	Fagura, Fegra	Wild fig
56	<i>Ficus palmate</i>	do-	Dobra	
57	<i>Ficus religiops &</i>	Urticaceae	Pipal	
58	<i>Ficus religiosa</i>	Urticaceae	Tremal, Treimbal	
59	<i>Ficus roxburghii</i>	Bixaceae	Kangu, Kaudel	
60	<i>Flacourtia rementle-</i>			
61	<i>chi-Bixaceal</i>			Ash
62	<i>Fraxinus floribunda</i>	Urticaceae	Bar	Banyan
63	<i>Ficus sundaica</i>	Proteaceae		Silver Oak
64	<i>Grevillea robusta</i>	Tiliaceae	Bihul	
65	<i>Grewia optiva</i>	Tiliaceae	Bihul	
66	<i>Holarrhena antidysenterica</i>	Apocytacese		
67	<i>Ilex dipyrena</i>	Illicineae		
68	<i>Jacaranda ovalifolia</i>	Bignonicose	Jacrands	Walnut
69	<i>Kydia calycina</i>	Malvaceae	Pula	
70	<i>Lagerstroemia Indica</i>	Lythraceae	Har Singar	
71	<i>Lannea grandis</i>	Anacardiaceae	Selambra	
72	<i>Litsaea umbrosa</i>	Lauraceae	Paror	Laurel
73	<i>Litsaea leauphia</i>	Lauraceae	Paror	Laurel
74	<i>Lyonia ovalifolia</i>	Legyminosol (Mimosaceal)	Subabool	
75	<i>Machilus duthiei</i>	Leguminosae	Airean, Ebran	
76	<i>Machilus odovatissima</i>	Lauraceae	Chirindi	

77	<i>Mallotus Philippinesis</i>	Lauraceae	Chirindi	Kamila tree
78	<i>Mengifer Indiacae</i>	Euphorbiaceae	Kambal	Mango
79	<i>Melio azedarach</i>	Anacardiaceae	Am	Persian Lilac
80	<i>Moringa</i>	Meliaceae	Drek	
81	<i>Pterygosperma</i>	Moringaceae	Saunjna	
82	<i>Morus alba</i>	Urticaceae	Chimmu	Mulberry
83	<i>Morus serrata</i>	Urticaceae	Paharitut	Hil Mulberry
84	<i>Myrica esculenta</i>	Hyriceae	Kaphal	
85	<i>Olea ferruginea</i>	Obaceal	Kahu	Oliva tree
86	<i>Oroxylum Indicum</i>	Bignoriaceae	Arlu	
87	<i>Desmodian ooheinese</i>	Leguminosae	Sanden	
88	<i>Phoenix sylvestris</i>	Palmae	Khajur, Khajri	Wild data palm
89	<i>Phoenix humilis</i>	Palmae	Khajri	Wild data, Palm
90	<i>Pieca smithiana</i>	Coniferae	Rai	Spruce
91	<i>Pinus roxburghii</i>	Coniferae	Chil	Chil Pine
92	<i>Pinus wallchiana</i>	Cineferae	Kail	Blue Pine
93	<i>Pistacia integerrima</i>	Anacardiaceae	Kakare	
94	<i>Populus deltoides</i>	Salicaceae	Chiluna, Pahari	Popular
95	<i>Populus nigra</i>	Salicaceae	Chiluna, Pahari Pipal	Bhari Popular
96	<i>Pongamia pinnata</i>	Papilionaceae	Karanj	Indian Beech
97	<i>Prunus armeniaca</i>	Rosaceae	Chuli	Wild Apricot
98	<i>Prunus cerasoides</i>	Rosaceae	Paja	Wild cherry
99	<i>Prunus cornuta</i>	Rosaceae	Jammu	Bird cherry
100	<i>Punica granatum</i>	Lythraceae	Auar, Daru	Pomegranate
101	<i>Pyrus lanate</i>	Rosaceae	Segal, Kainth	
102	<i>Pyrus pashia</i>	Rosaceae	Mohru	Greek Oak
103	<i>Quercus Floribundea</i>	Cupliferae	Banni	Greek Oak
104	<i>Quercus glauca</i>	Cupliferae	Ban	White Oak

<i>Quercus</i>				
105	<i>leucotrichophoya Quercus</i>	Cupliferae	Kharsu	Brown Oak
106	<i>Rhododendion Orboreum</i>	Ericaceae	Burah	
107	<i>Rhus Puojabensis</i>	Ericaceae	Titri	
108	<i>Robinia Pseudascacia</i>	Leguminasal	Robinia	
109	<i>Salix babylonic.</i>	Saliaceae	Majnu	Weeping willow
110	<i>Salia denticulata</i>	Saliaceae	Beuns	Willow
111	<i>Salix tetre sperune</i>	Saliaceae	Beuns	Willow
112	<i>Dapinfud mukeresal</i>	Sapindacase	Ritha	Soap nut tree
113	<i>Sapium sebiferum</i>	Euphariceal	Dudhla	Chinese Tallow
114	<i>Symplaces</i>	Styraceal		
115	<i>cretsogoides</i>		Barmi, Rakhala	Yew
116	<i>Texus baccata</i>	Combretaceae	Behara	
117	<i>Terminalia Ballirica</i>	Combretaceae	Harad	
118	<i>Terminalia Chobula</i>	Combretaceae	Marinu	Small leaf elm
119	<i>Ulmus Villosa</i>	Urticaceae	Summa	
120	<i>Wrightia tinotoris</i>	Apocynaceae	Summa	
121	<i>Wrightia arborea</i>	Bixaceae	Draindu	
122	<i>Xylosma longifolium</i>	Rhamnaceae	Beri	
123	<i>Ziz9phus Mauriiana</i>			
124	<i>Skimmia anquelilia</i>	Rutaceae	Nayr	
125	<i>Spirae canescens</i>	Rosaceae	Chakh	
126	<i>Spirae bella</i>	Rosaceae		
127	<i>Spiraes linlieyana</i>	Rosaceae		
128	<i>Filipendula vestata</i>	do		

SHRUBS

1	<i>Solenum erianthum</i>	Solanaceae	Ban tamakhu	
2	<i>Staphylea emodi</i>	Sapindaceae	Negdaun	Snahe sticks
3	<i>Tamarix troupii</i>	Tamaricaceae	Jhao	

4	<i>Viburnum cylindricum</i>	Caprifoliaceae	Diha	
5	<i>Viburnum cotinifolium</i>	Caprifoliaceae	Dab	
6	<i>Viburnum mullaha</i>	Caprifoliaceae	Tilenal	
7	<i>Viburnum grandiflorum</i>	Caprifoliaceae		Mistletoe
8	<i>Viscum album</i>	Loranthaceae	Bhangra	
9	<i>Vitex negundo</i>	Verbenaceae	Banha	
10	<i>Wikstroemia canescens</i>	Thymelaeaceae	Tilak	
11	<i>Woodfordia fruticosa</i>	Lythraceae	Dawa	
12	<i>Xanthoxylum alatum</i>	Rutaceae	Tirmira	

HERBS

1	<i>Achillea millofolium</i>	Composotes	Fye	
2	<i>Achyranthes bidentata</i>	Amarantaceae	Putkanda	
3	<i>Achyranthes portchysistachya</i>	Renunculaceae	Padish, Mohra	
4	<i>Aconitum heterophyllum</i>	Avaceae	Barin	Sweet Flag
5	<i>Acorus calamus</i>	Avaceae	Barin	Maiden hair
6	<i>Adiantum capillus</i>	Rosacese	Kanaula	
7	<i>Agrimonia pilosa</i>	Compositae	Durwa	
8	<i>Ainsliaca aptera</i>	Labbatae	Darpatre	
9	<i>Ajuga parviflora</i>	Liliaceae	-	
10	<i>Allium loratum</i>	Compositae		
11	<i>Anaphalis margaritacea</i>	Compositae		
12	<i>Anaphalis Conrotra</i>	Compositae		
13	<i>Anaphális triplinervis</i>			

CLIMBER

1	<i>Bauhinia vahlii</i>	Laguminosea	Taur
2	<i>Caesalpinia bonducalla</i>	Laguminoseae	Kanderi
3	<i>Caesalpinia sapiaria</i>	Laguminoseae	Kanderi
4	<i>Clematis conneta</i>	Ranuriculacea	

5	<i>Clematis grata</i>	Ranunculacea	Bel Kangu chabru
6	<i>Clematis gouriana</i>	Ranunculacea	
7	<i>Clematis montana</i>	Ranunculacea	Khurmmble
8	<i>Cryptolepis buchanani</i>	Asclepiadaceae	Akash bei
9	<i>Cunsutsrefiexa</i>	Convolvulaceae	
10	<i>Dioscoria belophylla</i>	Dioscoreaceae	Tardi
11	<i>Discoria belophylla</i>	Dioscoreaceae	
12	<i>Dioscoria deltoidea</i>	Dioscoreaceae	Grumru
13	<i>Hedeva helix</i>	Araliaceae	
14	<i>Ichocarpus frutescens</i>	Apocynaceae	
15	<i>Jasminum officinal</i>	Oleaceae	Banmalti
16	<i>Jasminum humile</i>	Oleaceae	Banmalti
17	<i>Jasminum pubescens</i>	Oleaceae	Dure
18	<i>Millettia ouriculata</i>	Leguminoseae	Salanghe
19	<i>Rosa macrophylla</i>	Rosaceae	kujas
20	<i>Rosa moschata</i>	Rosaceae	Kujas
21	<i>Rubia Cordilfolia</i>	Rubiaceae	
22	<i>Smilax asndra</i>	Liliaceae	
23	<i>Vitis semicordata</i>	Liliaceae	Mizae
24	<i>Vitis trifolia</i>	Liliaceae	Pola
25	<i>:Zehneria umbellata</i>	Cucurbitaceae	

Appendix-III

List of common Animals and Birds.

Sr.No	English Name	Zoological Name
1. Carnivore		
1.	Leopard	<u>Panthera pardus</u>
2.	Leopard cat	<u>Felis bengalensis</u>
3.	Wildcat	<u>Felis chaus</u>
4.	The Indian fox	<u>Vulpes bengalensis</u>
5.	Jackal	<u>Canis aureus</u>
6.	Redfox	<u>Vulpes vules</u>
7.	Yellow throated Martens	<u>Martes flavigula</u>
2. Herbivore		
8.	Ghoral	<u>Nemorhaedus goral</u>
9.	Sambar	<u>Cervus unicolor</u>
10.	Barking deer	<u>Muntiacusmuntijak</u>
11.	Musk deer	<u>Moschus moschiferus</u>
12.	Himalayan Thar	<u>Hemitragusjem lachius.</u>
13.	The Ibex.	<u>Capra ibex</u>
3. Rodents.		
14.	Indian Crested Porcupine	<u>Hystrix indica</u>
15.	Indian Hare	<u>Lepus nigricollis</u>
16.	Himalayan Mouse Hare	<u>Ochotona roylei.</u>
17.	Threestriped Palm Squirrel	<u>Funambulus palmarum</u>
18.	Fivestriped Squirrel	<u>Funambulus pennanti.</u>
19.	Indian Mole rat	<u>Bandicota bengalensis</u>
20.	Indianbush rat	<u>Golundaellioti</u>
21.	Indian Field Mouse	<u>Mus booduga</u>
22.	Brown Spiny Field Mouse	<u>Mus platythrix</u>
4. Primates and Others		
23.	The Rhesus Monkey	<u>Macaca mulatta</u>
24.	The Common Langur.	<u>Semnopithecus entellus</u>
25.	Himalayan Brown Bear	<u>Ursus arcotos</u>
26.	Himalayan Black Bear	<u>Ursus thibetanus.</u>

27.	Common Otter	<u>Lutralutra</u>
28.	Mongoose.	<u>Herpestesedwardsii.</u>
29.	The Himalayan Wease	<u>Mustela sibirica</u>
30.	Indian Wild Boar	<u>Sus scrofa</u>
5. Lizards, Snakes and Fishes.		
31.	The Common Indian Monitor	<u>Varanus monitor</u>
32.	The Common House Lizards	<u>Gecko hemidactylus</u>
33.	The Common Indian Krait	<u>Bungaruscaervleus</u>
34.	The Himalayan Pit Viper	<u>Ancistrodonhimalayanus</u>
35.	The Indian Cobra	<u>Najanaja</u>
36.	The Red Snake	<u>Ptyasmucosus</u>
37.	Brown Trout	<u>Salmo trutto</u>
38.	Golden Mahaseer	<u>Tor putitora</u>
39.	Rohu	<u>Labeorohita</u>
40.	Murrel	<u>Claunastraiata.</u>
41.	Eel	<u>Anguilliformes</u>
1. Birds		
42.	Himalayan Griffon-Vulture	<u>Gyps himalayensis</u>
43.	Indian Longbilled-vulture	<u>Gyps teruirastris</u>
44.	Indian Scavenger vulture	<u>Gyps</u>
45.	Himalayan Snowcock	<u>Tetraogallushimalayensis</u>
46.	Chukor Partridge	<u>Alectoris chukar</u>
47.	Snow Partridge	<u>Lerwalerwa</u>
48.	Hill Partidge	<u>Arborophilatorqueola</u>
49.	Grey francolin	<u>Francolinusfrancolinus</u>
50.	Black francolin	<u>Francolinusfrancolinus</u>
51.	Jungle Bush Quail.	<u>Perdicula asiatica</u>
52.	Common Quail	<u>Coturnix coturnix</u>
53.	Himalayan Monal	<u>Lophophorusimpejanus</u>
54.	Kalij Pheasant	<u>Lophuraleucomelanos</u>
55.	Koklas Pheasant	<u>Pucrasiamacrolopha</u>
56.	Cheer Pheasant	<u>Catreuswallichii</u>
57.	Indian Peafowl	<u>Pavocristatus</u>
58.	Red Jungle fowl.	<u>Gallus gallus</u>
59.	Blue Rock Pigeon	<u>Columbia livia</u>
60.	Dove	<u>Columba</u>
61.	Little Brownor Senegal Dove	<u>Streptopelia senegalensis</u>
62.	Slaty headed Parakeet	<u>Psittaculahimalayana</u>
63.	Plum headed Parakeet	<u>Psittaculacyanocephala</u>
64.	Blue Winged Parakeet	<u>Psittaculacolumboides</u>
65.	Rose Ringed Parakeet	<u>Psittaculakrameri, columboides</u>

66.	Eurasian Cuckoo	<u>Cuculuscanorus</u>
67.	Common Hawk Cuckoo	<u>Hierococcuyxvarius</u>
68.	Indian Cockoo	<u>Cuculusmicropterus</u>
69.	Asian Koel	<u>Eudynamysscolopaceis</u>
70.	Tawny Owl	<u>Strixaluco</u>
71.	Brown Wood Owl	<u>Strixleptogrammica</u>
72.	Mountain Scops owl	<u>Otus spilocephalus</u>
73.	Indian Roller	<u>Coracias benghalensis</u>
74.	Common Kingfisher	<u>Alcedoatthis</u>
75.	Common Hoopoe	<u>Upupa epops</u>
76.	Great Barbet	<u>Megalaima virens</u>
77.	Grey headed Woodpecker	<u>Picuscanus</u>
78.	Scaly bellied Woodpecker	<u>Picussquamatus</u>
79.	Black-rumpedFlameback	<u>Dinopiumbenghalense</u>
80.	Rifpis-bellied Woodpecker	<u>Dendrocoposhyperythrus</u>
81.	Black Drongo	<u>Dicrurusmacrocerus</u>
82.	Ashy Drongo	<u>Dicrurusleucophaeus</u>
83.	Long- tailed Shrike	<u>Laniusschach</u>
84.	Common Woodshrike	<u>Tephrodornispondicerianus</u>
85.	Common Myna	<u>Acridotheres tristis</u>
86.	Jungle Myna	<u>Acridothersfuscus</u>
87.	Rufous Treepie	<u>Dendrocittavaganimda</u>
88.	Yellow-billed Blue Magpie	<u>Urocissaflaviostris</u>
89.	Grey Tree pie	<u>Dendrocittaformosae</u>
90.	Eurasian Jay	<u>Garrulus glandarius</u>
91.	Black headed Jay	<u>Garrulus lanceolatus</u>
92.	Redbilled Chough	<u>Pyrrhocoraxgraculus</u>
93.	Yellowbilled Cough	<u>Pyrrhocoraxgraculus</u>
94.	Indian Jungle Crow	<u>Corvus culminates.</u>
95.	Black Bulbul	<u>Hypsipetes leucocephalus</u>
96.	Himalayan Bulbul	<u>Pycnonotusleucogeny</u>
97.	Red-vented Bulbul	<u>Pycnonotuscafer</u>
98.	Winter wren	<u>Troglodytes heimalis.</u>
99.	Scaly-breasted wren babbler	<u>Pnoepygaalbiventer</u>
100.	Jungle Babbler	<u>Tutdoidesstriata</u>
101.	Common Babbler	<u>Tutdoidescaudata</u>
102.	Chestnut-tailed Minla	<u>Minla strigula</u>
103.	Rufous Sibia	<u>Heterophasiacapistrata</u>
104.	White-throated Laughingthrush	<u>Garrulaxalbogularis</u>
105.	White-crested Laughingthrush	<u>Garrulaxleucolphus</u>
106.	Striated Laughingthrush	<u>Garrulax striatus</u>

107.	Streaked Laughingthrush	<u>Trochalopteron lineatum</u>
108.	Variegated Laughingthrush	<u>Trocholoperon variegatum</u>
109.	Whiskered Yuhina	<u>Yuhina flava</u>
110.	Darksided Flycatcher	<u>Muscicapasibirica</u>
111.	Staty Blue Flycatcher	<u>Ficedula tricolor</u>
112.	Grey Headed Flycatcher	<u>Culicicapaceylunensis</u>
113.	Asian Paradise Flycather	<u>Terpsiphone paradise</u>
114.	Ashy Prinia	<u>Priniasocialis</u>
115.	Striaated Prinia	<u>Priniacrinigera</u>
116.	White-tailed Rubythroat	<u>Luscinia pectoralis</u>
117.	Indian Blue Robin	<u>Luscinia brunnea</u>
118.	Golden Bush Robin	<u>Tarsiger chrysaeus</u>
119.	Blue-capped Redstart	<u>Phoenicurus coeruleocephala</u>
120.	Blue-fronted Redstart.	<u>Phoenicurus frontalis</u>
121.	Black Redstart	<u>Phoenicurus ochruros</u>
122.	Plumbeous Water Redstart	<u>Rhyacornis fuliginosa</u>
123.	Spotted Forktail	<u>Enicurus maculates</u>
124.	Little Forktail	<u>Enicurus maculatus</u>
125.	Brown Dipper	<u>Cinclus pallasi</u>
126.	Common stonechat	<u>Saxicola rubicola</u>
127.	Grey Bushchat	<u>Saxicola ferreus</u>
128.	Blue –capped Rock thrush	<u>Monticola cinclorhynchus</u>
129.	Chestnut-bellied Rock Thrush	<u>Monticola rufiventris</u>
130.	Blue Rock Thrush	<u>Monticola solitarius</u>
131.	Blue Whistling Thrush	<u>Myophonus caeruleus</u>
132.	Scaly Thrush	<u>Zosterodroma</u>
133.	White-collared Blackbird	<u>Turdus albocinctus</u>
134.	Grey Winged Blackbird	<u>Turdus boulboul</u>
135.	Great Tit.	<u>Parus major.</u>
136.	Green Blacked Tit.	<u>Parus monticolus.</u>
137.	Spot Winged Tit	<u>Parus melanolophus</u>
138.	Rufous naped Tit	<u>Parus rufonuchalis</u>
139.	Wall Creeper	<u>Tichodroma muraria</u>
140.	Grey wagtail	<u>Motacilla cinerea</u>
141.	White Wagtail	<u>Motacilla alba</u>
142.	House Sparrow	<u>Passer domesticus</u>
143.	Baya Weaver	<u>Ploceus philippinus</u>
144.	Red-headed Bullfinch	<u>Pyrrhula erythrocephala</u>
145.	Brown Bullfinch	<u>Pyrrhula nipalensis</u>
146.	Common Rosefinch	<u>Carpodacus erythrinus</u>
147.	Dark-breasted Rosefinch	<u>Carpodacus erythrinus</u>

148.	Himalayan Rock Bunting	<u>Emberizacia</u>
149.	Crested Bunting	<u>Melophuslathami</u>
150.	Pine Bunting	<u>Emberizaleucocephalos</u>

Appendix –IV**NAME OF EXISTING FOREST ROAD/BRIDAL PATHS**

SR No	Range	Name of Road/ Bridle Paths	From	To	Length in Kml	Year of Construction

PARTICIPATORY FOREST MANAGEMENT RULES – 2001

(Authoritative English text of this Department Notification No. Fts-II (B)15-10/87 Dated 23.8.2001 as required under clause (3) of article 348 of the Constitution of India)

NOTIFICATION

No. Fts. II (B) 15- 10/87

Dated 23.08.2001

In exercise of the powers conferred by section 80 read with section 81 of the Indian Forest Act, 1927 (Act No. XVI of 1927), the Governor, Himachal Pradesh is pleased to make the following Regulations, namely:

1. Short title, application and commencement:

- (1) These Regulations may be called the Himachal Pradesh Participatory Forest Management Regulations, 2001.
- (2) They shall apply to such Government forests and such Government land including the common land, which shall be selected jointly for participatory forest management by the Society and the Department.
- (3) They shall come into force from the date of publication in Rajpatra, Himachal Pradesh.

2. Definitions:

In these Regulations, unless there is anything repugnant in the subject or context, -

- (a) “**Act**” means The Indian Forest Act, 1927, (Act No. 16 of 1927) as amended in its application to Himachal Pradesh;
- (b) “**Conflict Resolution Group**” means a group consisting of a representative of the concerned Gram Panchayat, a representative of the local non-government organizations or local community based organizations and the concerned Assistant Conservator of Forests;
- (c) “**common land**”, “**family**”, “**Gram Panchayat**”, “**Panch**”, “**Pradhan**”, “**village**” and “**Ward**” shall have the meanings respectively assigned to them in the Himachal Pradesh Panchayati Raj Act, 1994 (Act No. 4 of 1994);
- (d) “**Department**” means the Himachal Pradesh Forest Department;

- (e) **“Divisional Forest Officer”** means the forest officer in-charge of a territorial or wildlife forest division of the Department;
- (f) **“Executive Committee”** means executive body of the Society;
- (g) **“Forest Officer”** means a Forest Officer as defined under sub- section (2) of section 2 of the Act;
- (h) **“General House”** means General House of the Society;
- (i) **“Government”** means Government of Himachal Pradesh;
- (j) **"Grazier group"** means a group of persons, whether resident members or migratory graziers, who are dependent on the grazing resource in the selected area for meeting their livelihood needs;
- (k) **“Micro- plan”**, means a holistic forest management and development plan of the area selected for participatory management;
- (l) **"Participatory forest management"** means management of Government forest and Government land including common land managed jointly by the Society and by the Department;
- (m) **“Selected area”** means any Government forest and Government land including common land selected under regulation 3 of these Regulations;
- (n) **"Self help group"** means any organized group of persons, who collectively by mutual help are able to enhance their economic status through resource based activities;
- (o) **“Site specific plan”** means a sub component of the micro-plan which is a technically appropriate plan for the site;
- (p) **“Society”** means village forest development society registered under section 3 of the Societies Registration Act, 1860 (Act No. 21 of 1860) for participatory forest management;
- (q) **“Sustainable forest management”** means management which is economically viable, environmentally benign and socially beneficial, and which balances present and future needs; and
- (r) **"User group"** means a group of persons dependent upon a common natural resource for sustaining its livelihood needs.

3. Intent of participatory forest management:

- (1) On an application made to the Divisional Forest Officer signed by at least 50 percent of the voters of a Gram Panchayat Ward, any Government forest and Government land including common land may be brought under participatory forest management. The land so identified shall be known as selected area.
- (2) In accordance with the wider objectives and plans of Government for sustainable forest management, the selected area shall be managed jointly by the Society and the Department on the terms and conditions of an agreement to be entered between the Society and the Department.

4. Village forest development society:

- (1) There shall be a Society for a Gram Panchayat Ward. However, where the Ward is not compact and the hamlets within it do not have common forests, common grazing lands, common rights and concessions more than one Society may be formed for each cluster of hamlets. The Society shall be registered under section 3 of the Societies' Registration Act, 1860. (Act No. 21 of 1860).
- (2) All voters of a Gram Panchayat Ward shall be entitled to be enrolled as members of the Society.

5. Constitution of Executive Committee of the Society:

The Executive Committee shall consist of -

- a) President to be elected by the General House;
- b) Vice President -do-
- c) Four Members -do-
- d) Treasurer to be nominated by the elected members from amongst the members of the Society;
- e) Joint Secretary (woman) -do-
- f) Ward Panch ex-officio member;
- g) President - Mahila Mandal -do-
- h) Representative - Local women group -do-
- i) Three Members to be co-opted from the village level committees constituted by other departments of the Government, societies registered under the Societies Registration Act, 1860, (Act No. 21 of 1860) , user groups, self help group and grazier group;
- j) Member- Secretary to be elected by the General House. Provided that at least 7 members of the Executive Committee shall be from amongst the women. Joint Secretary shall assist the Member-Secretary.

6. Term of office of members of the Executive Committee:

Elected members of the Executive Committee shall hold office for a period of two years from the date of assumption of office.

7. Powers of the Executive Committee:

The Executive Committee shall exercise the powers of a “Forest Officer” as assigned by the Government under the Act.

8. Usufruct Sharing:

The Society shall be entitled to the following benefits, namely :-

- a) to collect the yield such as fallen twigs, branches, loppings, grass, fruits, flowers, seeds, leaf fodder and non timber forest products free of cost;
- b) to the sale proceeds of all intermediate harvest, subject to protection of forest and plantations for at least 3 years from the date of agreement;
- c) to organize and promote vocational activities related to forest produce and land; and other activities such as promotion of self help groups which may provide direct benefits, including micro-lending to women. None of the activities so promoted shall affect the legal status of the forest land;
- d) recorded rights over the forest shall not be affected by these benefits;
- e) the Government shall charge no royalty on the forest produce within the selected area;
- f) after 5 years, the Society may expand the area, on the basis of a fresh agreement deed, by inclusion of adjoining or nearby areas;
- g) after 20 years from the date of agreement and, based on the principles of sustained forest management, 75 percent of the net sale proceeds from the selected area shall be put into the account of Society and the remaining 25 percent of the net sale proceeds shall go to the concerned Gram Panchayat; and
- h) To utilize at least 40 percent of the net sale proceeds on forest regeneration activities including soil and water conservation.

Provided that for the purpose of usufruct sharing, family shall be one unit.

9. Funds:

Funds shall be generated by the Society through contributions by members and the sale of usufructs under these regulations. All funds, including those received from the Government, Gram Panchayats and non-government sources shall be utilized through the micro-planning process.

- 10. Maintenance of Accounts:** The sum received by the Society shall be deposited in the name of the concerned Society in a nationalized bank or scheduled bank or co-operative bank or post office and the account shall be operated under the signatures of the President, Treasurer and Member-Secretary of the Society.

11. **Grant-in-Aid:** The department shall release Grant-In- Aid to the Society under the Grant-In-Aid Rules subject to the availability of funds and satisfactory performance of functions by the Society.
12. **Settlement of Dispute:** In case of any dispute in relation to usufruct sharing in the Society, the Deputy Ranger concerned of the Department, shall take steps to reconcile the dispute. In case the dispute is not resolved, the Deputy Ranger shall refer the dispute, along with his report to the Range Officer concerned of the Department. The Range Officer, after hearing the parties, shall resolve the dispute within 30 days from the date of receipt of report of the Deputy Ranger.
13. **Appeal:** An appeal shall lie from the decision of the Range Officer to the Conflict Resolution Group to be filed within 30 days from the date of decision, who shall decide the same within 60 days from the date of filing of appeal, after affording an opportunity of being heard to the parties. The decision of the Conflict Resolution Group shall be final and binding on the parties. The Conflict Resolution Group shall send a copy of the decision to the Society and the Divisional Forest Officer concerned free of cost.
14. **Preparation of micro-plans:**
 - (1) A micro-plan shall be prepared for the holistic forest management and development of the selected area, by the Society. The Department shall help the Society in preparation of the micro-plan. A micro-plan shall be operative for a period of five years from the date of its approval by the Divisional Forest Officer and may be revised after three years. The micro-plan shall be passed in the general house with at least 60 percent majority of the members present.
 - (2) The Divisional Forest Officer may approve whole or part of the micro-plan.
15. **Powers of the Government:** Notwithstanding anything contained in these regulations, the Government shall have the powers to issue directions to the Society on participatory forest management processes, micro-planning, co-ordination, monitoring, and grant -in -aid and implementation mechanisms.

BY ORDER

FC-cum-Secretary (Forests) to the
Government of Himachal Pradesh

Appendix-IX

REPORT ON THE FOREST SETTLEMENTS OF THE MANDI STATE FOREST 1917

GOVERNMENT OF HIMACHAL PRADESH
FOREST DEPARTMENT

RANGE Office J Nagar

REPORT ON THE FOREST SETTLEMENTS OF THE MANDI STATE FOREST

PART I

By
H. L. WRIGHT IFS
Forest Officer, Mandi State

REPRODUCED BY HIMACHAL PRADESH, FOREST DEPARTMENT 1975 AND
THE DEPUTY CONTROLLER, PRINTING AND

APPENDIX I. THE FOREST RULES.

(A). THE GENERAL FOREST RULES.

1. In these rules unless there is something repugnant in the subject or context:—

Definition.
"Forest" includes all lands containing tree growth except such lands as have been recorded in the records of the First Regular Land Settlement as cultivated or as in the *malguzari* of a private person.

"Demarcated forest" includes all areas which have been permanently demarcated.

"Undemarcated forest" includes all other forest areas, and includes such grass lands as contain trees, in which *malguzari* rights have not been recognised.

"The Forest Officer" means the officer, who for the time being is in direct executive charge of the State forests.

2. In all forests in the Mandi State the following acts are prohibited, except with the permission of the Forest Officer, or in the exercise of a recorded *bartan*, or as provided in paragraphs 4 and 5 of these rules:—

- Prohibitions.*
- (a). Breaking up land for cultivation, except with the permission of the Darbar.
 - (b). Setting fire to trees, brushwood and shrubs.
 - (c). Cutting out slabs, torchwood, etc., from the stems of standing trees, barking or boring for resin, or otherwise injuring trees.
 - (d). Felling or lopping trees.
 - (e). Removing dead leaves or surface soil.
 - (f). Selling trees.
 - (g). Grazing cattle or cutting grass in any demarcated forest, or during the closed season, if any, in any undemarcated forest.
 - (h). The removal of or damaging any forest boundary pillars.
 - (i). The removal of, cutting, burning or defacing the marks placed on any tree by any forest officer.

3. In the demarcated forests, the *malguzars* of cultivated land, assessed to land revenue, or of which the revenue is assigned, and their agricultural tenants are allowed to exercise the following *bartans*, where such have been recorded in their favour in the localities specified and to the extent specified in the record, such exercise except where otherwise stated being for their own domestic and agricultural purposes and not for sale or barter:—

- (a). Grazing of domestic and agricultural cattle.
- (b). The use of timber for building purposes on payment of the prescribed fees according to the rules prescribed by the Darbar from time to time, on permits issued by the Forest Officer and

Tenants-at-will shall obtain trees through their *malguzars*.

- (c). Right of way for men and cattle along footpaths and roads to villages, highland pastures, watersprings, cremation grounds or grounds used for holding fairs.

- (d). To cut brushwood and thorny shrubs.

- (e). To collect fallen coniferous needles for bedding and manure; provided no iron rakes are used for scraping.

- (f). To collect dry and fallen wood and felling refuse for firewood; and to remove all dry standing or fallen trees except dendur and kail provided that no such trees may be removed without permission from any area which has been burnt within two years.

- (g). To lop trees of broad leaved species for fodder and bedding for cattle.

- (h). To cut grass.

- (i). To collect fruits, edible seeds, flowers, medicinal roots and leaves, roots for the preparation of dyes and honey for their own use and for sale.

- (j). To collect nirgal bamboda.

- (k). To cut and to collect torchwood and extract resin from—
- (i). all dry standing trees, except deodar,
 - (ii). all green and dry fallen trees, except deodar,
 - (iii). malformed pine trees, especially marked for the purpose,
 - (iv). stumps of all felled trees, provided the marks, if any, applied by the Forest Officer are left intact.
- (l). To extract and to collect slates from existing quarries and to sell the same within the limits of the State.
- (m). To cut and to remove for burning the dead 2 trees not more than one *hath* in girth at 4 feet 6 inches from the ground and 2 trees not exceeding 2 *hath*s in girth at 4 feet 6 inches from the ground, for the construction of hirs and for cremation respectively, provided that deodar may be used only in places where other trees are not available, and that oak and other inferior trees are to be used wherever possible, though a few small branches of deodar may be mixed with the fuel where deodar is available. Notice of all fellings made for this purpose to be given to the Forest Guard or Rakha within 15 days.
- (n). To collect earth for plastering purposes, and moss for building purposes and to sell the same within the limits of the State.
- (o). To burn the dead on the recognised burning grounds.
- (p). To keep sheep and goats on the *thatches* included in the forests.
- (q). To cut oak and other broad leaved trees for the preparation of ploughs and other agricultural implements and conifers not exceeding 1 *hath* in girth at 4 feet 6 inches from the ground for plough handles and *rick poles*. Agricultural implements may be sold within the limits of the State.
- (r). To lop spruce and silver fir for manure, litter, and firewood; and spruce, silver fir and chil pine for charcoal for the manufacture and repair of agricultural implements, no tree under 2 *hath*s in girth at 4 feet 6 inches from the ground being lopped and the lopping being restricted to the lower half of the tree.
- (s). To cultivate fields situated within the forest boundaries and admitted at the time of the Forest Settlement.
- (t). To maintain and to repair existing water channels running through the forest and to obtain trees for the repair of the same without fees, but with the previous permission of the Forest Officer.
- (u). To obtain trees for the repair of temples without fees, but with the permission of the Forest Officer.
- (v). To remove the bark of broad leaved trees for tanning, provided that it is done in such a way that the life of the tree is not endangered; and to remove the bark of coniferous trees marked for felling.
- (w). To cut trees for religious festivals and ceremonies according to existing custom.
4. The proportion of any demarcated forest which may be closed to the exercise of *bartan* is given in the record, and in any area so closed no *bartan* may be exercised without the permission of the Forest Officer.
5. The *bartans* enumerated in paragraph 3 above may be exercised by the *mulguzars* of cultivated land, assessed to land revenue, or of *whish* *land* *revenue* *land*, the revenue is assigned, and their agricultural tenants in undemarcated forests without permission, provided the recognised customs and ranges of *land* *revenue* *land* are respected. The *Barman* may however, from time to time, make rules particular undemarcated forests, limiting or restricting the *bartans* that may be exercised therein.
6. Grass lands containing deodar, knil, chil, spruce or *he* may be burnt only with the permission of the Forest Officer. Other grass lands may be burnt without permission during the months of Magh and *an*, provided that where such areas are in the vicinity of any forest, they may be burnt only in the presence of the Forest Guard or Rakha and sufficient men must be employed to keep the fire under control and to prevent it spreading to the forest. In case of burning a grass land the occupier of the land will be held responsible if it spreads to a forest area.
7. Non-agricultural residents, travellers, traders and others may exercise such of the *bartans* enumerated in paragraphs 3 and 5 above as may be allowed from time to time by the Forest Officer, provided such exercise does not appreciably affect the *bartans* of agricultural residents.

Notification: - Reorganization of territorial and wildlife divisions due to exclusion/inclusion of certain areas of national parks and sanctuaries.

GOVERNMENT OF HIMACHAL PRADESH DEPARTMENT OF FORESTS

No. FFE-B-A(1)-1/2013 Dated: Shimla-2, the 31st July, 2014

NOTIFICATION

The Hon'ble Supreme Court vide order dated 01/02/2013 passed in 1A No. 155 (earlier 1A No. 139/2010), Writ Petition Civil No. 337 of 1995 Centre for Environmental Law, WWF-I Versus Union of India & Others, permitted the State Government to issue final Notifications under Sections 26A, 35(4) & 36A of the Wildlife (Protection) Act, 1972 with regard to the proposed rationalization of boundaries of Wildlife Sanctuaries and National Parks in HP.

Pursuant to above orders of the Hon'ble Supreme Court of India, the final notifications in respect of 24 Wildlife Sanctuaries have been issued by the Government. Therefore, the Governor, Himachal Pradesh is pleased to order reorganization of the excluded area from 24 Wildlife Sanctuaries in Territorial Divisions as per the Annexure-A, B & C attached with the notification with immediate effect.

HIMACHAL PRADESH FOREST DEPARTMENT

"Ek Buta, Beti ke Naam"-Yojna

Hon'ble Chief Minister's Budget Speech 2019-20(Para 70)

1. Introduction

Rapidly increasing population, urbanization and industrialization has placed great stress on our natural resources. Forests being one of the important natural resources have also not been left unaffected from this pressure. In fact, forests are probably bearing the most brunt of this all round development and increased demands on our natural resources.

As per the National Forest Policy, one- third of the total land area of the country should be under forest and tree cover in order to prevent erosion and land degradation and also to ensure the stability of the fragile ecosystem. However, currently only 28.60% of State's geographical area is under forest and tree cover. Thus, we are faced with challenge of not only preserving our existing forest and tree cover but also to enhance the same as per the requirement of the National Forest Policy amidst the challenge of meeting ever increasing demands for forest land and forest resources due to increasing population.

A need is, therefore, increasingly being felt to involve all sections of society in management and protection of forest and wild life and also to educate the masses to develop an understanding as to how natural resources are important, why we need to conserve these and how such awareness can be created. It is believed that once this understanding develops, people will start actively participating in programs of forest and environmental conservation. In this direction it is imperative the action oriented programs are launched aimed at different sections of the society.

Also, the society need to be made aware of the rights of girl child and need to minimize the gender gap. The scheme envisages linking the sentiments of the communities to foster their commitment to nurture both the girl child and the plant (sapling).

2. The Scheme- Goal & Objectives:

It is believed that by planting a sapling in the name of a girl-child and with the effort of nurturing each sapling into a tree, communities would be sensitized to be more committed towards the rights of the girl-child leading to realization of her full potential.

3. The Major components of the scheme are:

- a) To gift a sapling to the family of each girl-child born anywhere in the state.
- b) Sensitizing communities, about both the fragile gender balance and the ecological balance.
- c) Motivating communities to pledge to nurture both the girl-child and the sapling, giving them opportunity to grow to their full potential.
- d) Increase the green cover of the State through plantation of saplings every year.

4. The salient features of the scheme are as follows:

- a) Upon the birth of a girl-child anywhere in the State, the Forest Department will gift five saplings to the family, to be planted in their homestead/land or adjoining forest land or *Samriti Vatika*. The Department would also provide a 'kit' to the family containing instructions for plantation and maintenance, a plant guard (as per requirement), a package of vermicompost, and a name plate with new born's name painted on it.

providing a 'kit' containing good-quality tall plants (saplings), instructions pamphlets, plant guards, vermicompost package and name plate would be provided by the Forest Department. The plantation may be carried out once or twice in a year i.e. during monsoon or winter as per suitability of the locality.

(v) Site of Plantation

The plantation would be carried out in the homestead/land of the family of the new born girl child. In case the parents wish to plant trees in adjoining forest area, planting may be done in nearby "*Smriti Vatikas*" or adjoining forests.

(vi) Felling permission of trees planted in non-forest private land & Usufruct rights on trees planted in Government Forest Land

The trees planted under this scheme in private land will be exempted from seeking felling permission under section 4 read with section 7 of Himachal Pradesh Land Preservation Act, 1978. The felling would normally be allowed after plants attain the age of at least 17 years. However, harvesting of Bamboo species can be done after 4 years. Saplings planted by the parents in the name of girl child in the nearby forest area or *Smriti Vatikas* cannot be felled on attaining maturity, however the girl child and her parents will have usufruct rights on these trees to derive benefits such as fruits, flowers, leaves, fodder etc. obtained without harming the tree.

(vii) Technical Support

The Department shall extend technical support for effective implementation of this scheme and shall earmark some funds in lump sum towards the expenses for the following activities:

a) Outreach and Publicity

- b) The families of new born girl child may opt for multiple value or commercial tree species for plantation in the name of newly born girl child.

5. Implementation Mechanism:

(i) Identification of the new born Girl Child

The representative of Forest Department would contact the Panchayat/Municipality officials in first week of every month to access details of the new born. The list would be compiled at the Forest Range level, till such time the plantation actually begins.

(ii) Supply of seedlings

Robust and healthy tall plants (saplings) of identified species would be gifted to parents of newly born girl-child during the planting season. It is estimated that currently there are about 37,500 births of girl-child annually in the State which is expected to grow annually @ 1.1%. Hence 1,87,500 seedlings would be provided to parents of new born girl-child @ of five seedlings each during the first year of initiation of the Scheme. Subsequently this number would grow year after year depending on growth rate of girl child. This effort would contribute towards enhancing the green cover of the State.

(iii) Choice of Species

The parents of the new born would be consulted for the choice of species. However, native, fast growing and species of multiple values like khair, daru, bamboo, walnut etc. would be raised in nurseries for this purpose.

(iv) Plantation of Saplings

To foster ownership of the plant, the planting would be done by the parents of the new born child. However, technical support like

The department may organize a State level launch function to launch the scheme and give wide publicity to it through print and electronic media. The Department may also organize outreach programmes in all 44 divisions.

b) Publicity Material

The department shall develop publicity material for distribution amongst the participating families. The Forest Department will print booklets, prepare audio-visual material to disseminate information amongst communities.

c) Web portal

A Web portal shall also be developed by the department and linked to the website of the department. The information along with pictorials about the participating families, details of Girl child, species planted alongwith location and the areas covered by them under this scheme, success stories etc. shall be provided on this webportal.

(viii) Scheduling

Ist Year:-

- i) Launch of scheme and outreach programmes.
- ii) Distribution of 5 tall saplings including plantation kit during planting season of birth year to each of estimated 37,500 families during first year of initiation of this scheme.
- iii) Plantation of the saplings by the respective parents under guidance and supervision of the concerned Forest Guard or Forest Worker.
- iv) Protection and maintenance of plants by respective families of concerned girl child.

- v) Record keeping by the concerned Forest Guard about the girl child, parents, location of plantation (geo-coordinates), species planted and status of their survival during subsequent years.
- vi) The copy of the record shall be transmitted to the concerned DFOs who shall further transmit it electronically to the HPFD HQ for maintaining a Database by the Nodal Officer of the Scheme.
- vii) The Nodal Officer shall be appointed by the PCCF(HoFF) for this scheme who will coordinate and guide the field officers for effective implementation of this scheme. For maintaining database on long term basis, Nodal Officer will take assistance of the IT Cell of the Department and if required a small application can be devised to capture data in uniform format and its easy access.

2nd to 5th Year:-

- i) Distribution of 5 tall saplings including plantation kit during planting season to the parents of girl child born during 2nd Year and subsequent years on similar lines.
- ii) Plantation of the saplings by the respective parents under guidance and supervision of the concerned Forest Guard or Forest Worker.
- iii) Maintenance of saplings by the families during the year of planting and subsequent years.
- iv) Replacement of saplings which shall die during 2nd year of plantation or subsequent years as the case may be.

- v) Record keeping by the concerned Forest Guard as narrated above.
- vi) Maintaining and updating database on regular basis by the designated Nodal Officer.

(ix) Monitoring

The HP Forest Department would maintain record of all such saplings planted and details of beneficiaries as narrated in above mentioned paras. It would be desirable for the Department to have the GPS coordinates of the saplings planted. The Department would also provide technical support to the family for maintenance of these saplings. The plant-survival record will also be maintained electronically at the level of Nodal Officer in the Himachal Pradesh Forest Department HQ.

6. Scheme Period

The period of this scheme will be for five years starting from 2019-20 and subsequent two years will be considered only to supply saplings for replacement of died plants. The saplings would be distributed during each of the first five years and subsequently the only saplings for replacement of died plants shall be provided in subsequent years upto maximum two years. Also, to build in the learning from the implementation of the Scheme, it will be reviewed in the 5th year and necessary modification, if any, would be incorporated and Scheme can be extended further with the prior approval of the Government.

7. Budgetary Outlay for the Scheme

The total likely outlay of the scheme, spread over five years will be approximately ₹ 35.33 Crores. However, as the Scheme will undergo a mid-term appraisal, the costing may undergo change based

on the decision taken after this appraisal. The details of estimated expenditure is given as under:

- a) Assuming annual increase in growth of birth rate of girl child @ 1.10%, about 11.50 Lakhs tall saplings would be required in the scheme. This would entail an expenditure of approximately ₹ 6.33 Crores. The details of estimated number of girl child born during the scheme period and the estimated details of saplings required are given in the table enclosed as **Annexure-A**.
- b) The Cost of kit @ ₹ 1500/- for 191673 (estimated no. of newly born girl child during scheme period) families in this scheme would be ₹ 28.75 Crores. The breakup of cost of kit is as under:

Items	Plant Guards @ 5 no. in each Kit	Vermicompost approx. 20 kgs.	Name Plate, instructions pamphlet	Transportation costs including Tall Plants with bags
Costs (L/s in Rs)	1000	150	100	250
Note: Costs are indicative which might change as per the requirements on site.				

- c) There would be an expenditure of estimated ₹ 25 Lakhs on launch, publicity and outreach programme under this Scheme.
- The total estimated expenditure for the scheme period would be ₹ 35.33 Crores.**
-

Annexure-A

Scheme : Ek Buta Beti ke Naam			
Years	Estimated No. of newly born Girl Child each year (@1.10% annual increase)	No. of plants per Girl child	Total Plants (BxC) + Plants provided for replacement of died plants in their following year of planting (assuming 80% survival)
A	B	C	D
1st year	37,500	5	187500
2nd year	37,913	5	189565+37500=227065
3rd year	38,330	5	191650+37913=229563
4th Year	38,752	5	193760+38330=232090
5th year	39,178	5	195890+38752=234642
6th year	0	0	0+39178=39178
Total	1,91,673 (Estimated No. of newly born Girl Child)		11,50,038 OR Say 11,50,000 Saplings

HIMACHAL PRADESH FOREST DEPARTMENT VIDYARTHI VAN MITTER YOJNA

(A scheme for creating awareness among school children about protection of forests & environment through their active participation in tree plantation and protection)

(Ref: Para 67 of Budget Speech, 2018)

1. Introduction

Rapidly increasing population, urbanization and industrialization has placed great stress on our natural resources. Forests being one of the important natural resources have also not been left unaffected from this pressure. In fact, forests are probably bearing the most brunt of this all round development and increased demands on our natural resources.

As per the National Forest Policy, one-third of the total land area of the country should be under forest and tree cover and in mountainous regions, two-third of the geographical area is required to be under such cover in order to prevent erosion and land degradation and to ensure the stability of the fragile eco-system. However, currently only 28.60 % of State's geographical area is under forest and tree cover. Thus, we are faced with the challenge of not only preserving our existing forest and tree cover but also to enhance the same as per the requirement of the National Forest Policy amidst the challenge of meeting ever increasing demands for forest land and forest resource due to increasing population.

A need is, therefore, increasingly being felt to involve all sections of society in management and protection of forest and wildlife and also to educate the masses to develop an understanding as to how natural resources are important, why we need to conserve these and how such awareness can be created. It is believed that once this understanding develops, people will start actively participating in programs of forest and environmental conservation. In this direction it is imperative that action oriented programs are launched aimed at different sections of the society.

A Scheme to strengthen participation of local communities in conservation and development of forests through plantation of useful plant species is already in the pipeline and likely to be launched soon. Students form a very important and crucial stakeholder group as the values about nature conservation they imbibe during their studies are likely to remain with them throughout their lives. It, thus, become important to sensitize this stakeholder group at young age so that they grow into environmentally sensitive and responsible citizens. Once sensitized, they are also likely to act as an important and effective source for spreading the message of forest and environmental conservation. A good beginning has already been made to involve students in plantation drive under the aegis of H.P. State Legal Services Authority, where under 11,11,656 number of plants have been got planted through school students over the past 4 years.

In this backdrop, the Government of Himachal has conceived a new Scheme titled "Vidyarthi Van Mitter Yojna" focused at school students, for actively involving them in forest conservation and development.

2. The Scheme - Goal & Objectives

Students can be the best ambassadors to put across and spread any useful message about the imperatives of Nature conservation to the society. The prime goal of this scheme is to take advantage of this fact by inculcating awareness among school children about the

importance of forest and environmental conservation by actively involving them in raising and protection of forest plantations and thereafter motivating them to act as agents of change through dissemination of this awareness among people at large. The scheme will also help children in understanding various issues and problems concerning protection and management of forest through hands-on experience of raising and protecting plantations and make them think of solutions.

The major objectives of the scheme are as follows:-

- To educate and sensitize students about the importance of forests and their role in environmental conservation.
- To inculcate in students a sense of attachment towards nature conservation.
- To motivate students in sensitizing communities towards conservation and protection of forests.
- To enhance forest cover in the state through plantations.

3. Key Components of the Scheme

The Key Components of the Scheme are:

- Identification of participating schools in various parts of the State, preferably having an established and active eco-club.
- Identification of suitable open/ degraded forest areas around selected schools for development into forest.
- Developing the capacity of students in growing and protecting forests over the designated forest land.
- Planting of suitable indigenous tree species and their maintenance and protection by the students.
- Facilitating development of a sense of contribution & association among the students with the plantations raised and encouraging them to carry forward the message about importance of protection of forest and environment.

The students will not only plant trees in the area earmarked for their school but will also maintain this plantation area on a long term basis. As the plants grow, this association with the plantation will develop into a sense of achievement towards greening of the State among them. The students will also be able to cherish this experience of plants planted by them growing into trees and ultimately into forests.

4. Stakeholders

a) Forest Department

The Forest Department will be one of the main stakeholders providing funds, technical knowhow, identifying sites and preparing the site under this scheme.

b) HP State Legal Services Authority

HP State Legal Services Authority is already coordinating an afforestation campaign along with Forests and Education Departments since the year 2014-15 involving schools across the State and will continue to coordinate and extend support under the ambit of this scheme.

c) Judiciary

The Judicial Officers of lower courts (District and Sub-division level) will play a major role in coordinating the afforestation campaign under this scheme with active involvement of the Education and Forest Departments.

d) Education Department

The Education Department shall play a vital role in the active involvement of Government School students from Class VI onwards.

Apart from these WWF Himachal Chapter, and other civil society organizations will continue to be actively involved in implementation of the scheme.

5. Implementation Mechanism

The scheme shall be implemented as follows:

a) Nodal Officers in the Forest & Education Departments

i) State Level Nodal Officers

The Forest department will designate a Coordinating Officer at HPFD HQ level who should preferably be CCF/APCCF (Finance). Similarly, the Education Department will also designate a Coordinating Officer at Directorate level preferably the Additional Director. The Member Secretary, HP Legal Services Authority shall coordinate with these State Level Coordinating Officers for implementation and monitoring of the Scheme.

ii) District Level Nodal Officers

The Deputy Director, Higher Education and Deputy Director Elementary Education shall be designated as Nodal Officers at District Level in the Education Department and similarly the DFOs of concerned Forest Divisions in the Forest Department shall be designated as Nodal Officers at District level. The Divisional Forest Officers, will actively involve the schools in the implementation of the scheme under the guidance of the concerned Conservators of Forests. The Judicial Officers at District level shall coordinate the programme.

iii) School Level Nodal Officers

In the Education Department, a teacher will be declared as Nodal Officer by the School Headmaster/Principal in consultation with the concerned Deputy Director for the purpose of implementation of this Scheme.

b) Identification of participating Schools:

About 3100 Eco Clubs have been established in the Schools across the State under the National Green Corps (NGC- Eco Club) Programme started by the Ministry of Environment, Forests and Climate Change, GOI aiming to build environmental consciousness in young minds. It would be advantageous to cover such schools under this Scheme in view of their readiness as these are already engaged in carrying out various activities concerning forest and environment protection and awareness. Also the funds received by these schools from GOI can also be used to supplement the afforestation activities. Therefore, this scheme will be implemented through Eco-Clubs established in most of the schools in the State. At the first instance, preference in selection will be given to those schools having Eco Clubs and which are already involved in the ongoing afforestation campaign coordinated by the HP State Legal Services Authority. However there will be no bar in selecting those schools where such clubs are not in existence but actively involved in ongoing afforestation campaign coordinated by the HP State Legal Services Authority. Involvement of such schools shall be done in a manner as described in the scheme. The DFOs concerned will contact the District level Nodal Officer(s) of Education Department and will finalize the list in consultation with them. The District level Nodal Officer(s) in the Education Department shall inform the concerned School Headmaster/Principal about inclusion of their School under this scheme. The list of participating schools will be sent by the DFOs through their Conservators of Forests to the Coordinating Officer in the HPFD

the fenced area shall be recorded and polygons prepared for satellite based monitoring and (c) handed over to the designated school for planting and maintenance.

b) Afforestation Plan for the selected site(s):

Before the start of the work, the school, through its Teacher declared as Nodal Officer will prepare a site specific technical plan for the selected site in consultation with concerned DFO through Range Officer. This plan will set out detailed work schedule of activities to be undertaken, species to be planted and the cost projections based on departmental norms i.e. applicable schedule of rates of Forest Department. Broadly the following activities shall be included in the plan.

- Preparation of site & fencing
- Development and maintenance of nursery
- Pit digging and planting
- Maintenance of plantation
- Annual function
- Publicity & Awareness

The activities such as pit digging, planting and maintenance will be carried out by the participating School students. The costs for these activities shall be built in this plan. No wages on this account shall be payable to the students. The admissible expenditure to be incurred by the participating Schools for carrying out these activities shall include cost of planting tools/equipments, transportation costs for students, if required, cost of local farm yard manure/vermicompost and light refreshment. The planting tools/equipments will be procured by the schools onetime and shall be properly stored and maintained. Replacement will be allowed only in case of those tools/equipments which are rendered unserviceable. No TA/DA will be charged in respect of any of the officers/officials of Education Department, Judiciary and Forest Department. Thus the costs for these activities shall be fixed in lump sum about Rs 30 per plant including maintenance over the next five years. Out of this, Rs 20 per plant can be incurred in the year of planting and the balance Rs 10 per plant shall be incurred for maintenance over the next five years on an average of Rs 2 per plant per annum as per the requirement in each year.

This technical plan will be approved by the concerned DFO and a MoU will be signed between the DFO and the school authorities. Plants for planting will be provided by the Forest department. However, schools will be encouraged to take up raising of small school nurseries by the students themselves at a later stage. The Schools shall be encouraged to establish their own Vermi Compost Units. The department shall augment the existing nurseries with the funds under this scheme and can also raise plants in nurseries under other existing schemes or under Externally Aided Projects to supplement the supplies of seedlings for planting by the schools, if funds are found inadequate for raising nurseries under this scheme.

The Forest Department will provide all necessary technical knowhow and guidance to the school in implementation of the scheme.

The planted area will be maintained by the school for which the school will undertake all activities like maintenance of fence, weeding, watering, hoeing, replacement of casualties etc. as set out in the technical plan. In addition to the tree species planted at the first instance, the schools will be encouraged to enrich the plantation area with species of medicinal/ NTFP importance to make the plantation a multi-layered forest in subsequent years.

The cost structure and activities as listed in the technical plan will be in consonance with the corresponding plantation schemes of Forest Department. The costing of the plan will be based on the applicable schedule of labour rates of Forest Department as per the existing norms. At every increase in labour rates by the Government of Himachal Pradesh, the cost structure will be revised and funds will be incurred accordingly.

The Forest area and plantation will continue to be under the ownership and control of Forest Department as hitherto before. If any local community has a right in the selected area, then the same shall continue to exist subject to regulations of Forest department. The department will take cognizance of forest offences, if any, detected in the selected area.

The Forest Department Officers/Officials as well as the officers from Judiciary shall keep inspecting the plantation sites covered under this scheme. Shortcomings, if any shall be pointed out during the inspections and the concerned School shall be requested to address these shortcomings. The Forest Department shall provide necessary guidance.

i) **Awareness Generation**

The students shall be taken on exposure visits in the nearby areas. The Forest Department Officials shall give talks to the students about technical knowhow of planting techniques, ecological functions of the plants to generate awareness.

j) **Technical Support**

The department shall extend technical support for effective implementation of this scheme and shall earmark some funds in lump sum towards the expenses for the following activities:

- **Annual Function**

The department may organize an annual function to recognize the efforts made by the participating schools. The best schools can be awarded in this annual function.

- **Publicity Material**

The department shall develop publicity material for distribution amongst the participating schools. The Forest Department will print booklets, prepare audio-visual material to disseminate information amongst students.

- **Webportal**

A webportal shall also be developed by the department. The information along with pictorials about the participating schools, students, the areas covered by them under this scheme, success stories etc. shall be provided on this webportal. The database maintained by the department shall also be uploaded on this webportal so that public have access to the data base.

6. **Scale of Implementation:**

This scheme shall initially cover those schools having Eco Clubs and involved in the afforestation campaign during the first phase of five years. The scheme would be reviewed after five years and plan for involving more schools shall be worked out. Maintenance in areas already covered under afforestation campaign included areas will continue.

Those schools not having Eco Clubs but are keen and have already done some afforestation activities under the Afforestation Campaign shall be encouraged for formation of Eco Clubs to obtain grant from the MoEF& CC, GOI under the National Green Corps Programme so that they are able to demonstrate their participation and do better in afforestation activities.

7. **Scheme Period**

Notification: - Grant in aid rule 2002

Grant in Aid Rule - 2002

GOVERNMENT OF HIMACHAL PRADESH
FOREST DEPARTMENT

NO. FFE-B(G)9-6/99

Dated Shimla-2, the, 30th October, 2002

NOTIFICATION

The Governor, HP is pleased to promulgate the following rules regulating payment of Grant-in Aid to the Village Forest Development Societies under the Participatory Forest Management (PFM) schemes operative in Himachal Pradesh

Short Title And Extent 1	These Rules may be called "Rules Regulating the Grant-in-Aid to the village Forest Development Societies under the PFM schemes in Himachal Pradesh. These rules shall come into force immediately.
Definitions 2	In these Rules, unless there is any thing repugnant in the subject or context. 'Department' means the Himachal Pradesh Forest Department. 'Govt.' mans the Government of Himachal Pradesh. 'Revenue' means the revenue administered by Himachal Pradesh Government. 'Secretary' means the Secretary to the Government of Himachal Pradesh in the Himachal Pradesh Forest Department. 'Conservator' means the Conservator of Forests of the Circle concerned. 'DFO' means the Divisional Forest Officer of the Division concerned. 'PFM' means Participatory Forest Management. 'Society' means Village Forest Development Society.
Purpose of the Grant-	The purpose of Grant-in-aid is for the furtherance of

in-Aid 3	objectives of PFM and its implementation through the Societies. <i>The assistance in the shape of Grant-in-Aid would be meant for expenditure on plantation & pasture improvement, soil & water conservation, income generation activities, maintenance, fencing, protection etc., subject to the availability of funds, and based on such norms and for such other purposes, as may be decided by the Govt. from time to time.</i> All Grant-in-aid disbursed will be funded by transparent norms, framed in advance, to govern not merely the unit of cost of different activities, but to also specify maximum costing for amounts for different activities and individual Societies would be entitled to.
Mode of payment. 4	The amount of Grant-in-aid shall be sanctioned <i>and released quarterly</i> by the DFO, keeping in view both, the norms and , within these, the requirement of the society, as well as available funds, on receipt of a written request from the Society, indicating the purpose for which it is required. Normally a self contained proposal containing the demand for the whole year shall be furnished by the Society by 30th April every year for scrutiny of the DFO, prior to sanction
Conditions for Sanction of Grant-in-Aid 5	The sanction of the Grant-in-aid shall be subject to following conditions: - That the DFO shall have right to check the accounts of the Society, to satisfy himself that the Grant-in-aid has been spent for the purpose for which it has been sanctioned. In case it is found that the Grant-in-aid has been mis-utilized, it will be open to the DFO to recover the aid from the Society, and to stop further payment. - The assets acquired wholly or substantially out of Government grants would not, without the prior sanction of the Govt. be disposed of, encumbered or utilized for purposes other than those for which grants are sanctioned. The Society shall maintain a register in the form (as in Annexure-A) in respect of the permanent and semi-permanent assets acquired wholly or mainly out of govt.

	grant. This register should be maintained by the Society separately in respect of each sanctioning authority to whom a copy thereof will be furnished annually for permanent record. The assets would be taken to mean all immovable and movable property of capital nature where the value exceeds Rs. 10000/- Library books and articles of furniture will not, however, be included in it.
Maintenance of Accounts and Submission of Utilization Certificates. 6	The Society shall maintain its accounts and records and the same will be open to inspection by the nominee (s) so deputed by the government. An un-audited utilization certificate will be furnished by the Society in respect of Grant- in-aid released to the Society during a particular year by 15th April of next year, as per form in Annexure-B, to the sanctioning authority, who will furnish the same to the Accountant General HP. The account in respect of the Grant-in-aid released to the Society for <i>PFM</i> activities during a particular year, under various <i>PFM</i> schemes, will be furnished by the DFO to the Accountant General (Audit) Hp by the end of September of the <i>next/</i> following year of sanction of Grant-in-aid. The <i>PFM</i> account of the Society will be audited by a qualified Accountant, or any other agency approved by the government, before, December next, in order to ensure proper utilization of the amount of the Grant-in-aid released by the department of the Society. Thereafter the Society will submit one copy of the audited utilization certificate in respect of each project activity to the DFO. The quarterly installment in respect of the Grant-in-aid for a particular year will be released by the DFO on the basis of un-audited utilization certificate furnished by the Society.
Miscellaneous 7	In order to ascertain the utilization of funds released to Societies by DFOs under various microplan activities, the Conservators shall prescribe format to the <i>Addl. PCCF.PFM</i>. The expenditure on account of payment of Grant-in-aid is to be charged under Head 2406

Head of Account 8	Forestry & Wildlife (Plan(-01-Forestry-800 Other Expenditure-06-SOON & 06-SOOS- under those schemes as may be included under PFM. By Order Principal Secretary(Forests) to the Government of HP.

08 February, 2021.

ORDER

WHEREAS, the Governor of Himachal Pradesh, in exercise of the powers conferred by section 4 read with section 7 of the Himachal Pradesh Land Preservation Act, 1978, had issued Order No. FFE-B-A(3)-4/99, dated 10-09-2002 for temporarily regulating, restricting and prohibiting throughout the areas in Himachal Pradesh (Except the areas falling within the limits of Municipal Corporation, Municipal Councils, Nagar Panchayats and Cantonment Boards) as specified in Schedule appended to the said Order, the acts specified therein for a period of 30 years from the publication of the said order in Rajpatra, Himachal Pradesh and the said order was published in the Rajpatra, Himachal Pradesh dated 4th October, 2002;

AND WHEREAS, the State Government is satisfied, after due inquiry, that it is necessary and expedient to carry out amendments in the said Order;

NOW, THEREFORE, in exercise of the powers conferred by section 4 read with section 7 of the Act *ibid*, the Governor of Himachal Pradesh is pleased to make the following amendments in the said Order, namely:-

AMENDMENT

**Amendment
of para-1**

In para 1 of the said Order, —

(a) for the first proviso, the following shall be substituted, namely:—

"Provided that there shall be no prohibition or restriction on felling of following species of trees:—

Sr. No.	Local Name of Species	Botanical Name of Species
1.	Kala Siris /Ohi/ Siris	<i>Albizia species</i>
2.	Safeda	<i>Eucalyptus species</i>
3.	Poplar	<i>Populus deltoidis</i>
4.	Indian Willow/ Biuns	<i>Salix species</i>
5.	Bamboo culms/Lathi bans/Maggar/Dharainch/ Bans	<i>Dendrocalamus strictus/Dendrocalamus hamiltonii/ Bambusa nutans/ Bambusa bambos</i>

6.	Paik/Koi/Kosh/Kunis/Kunish/ Nyun	<i>Alnus nitida</i>
7.	Khirk/Khadki	1:- <i>Celtis australis</i> 2:- <i>Celtis tetrandra</i>
8.	Darak/Bakin	<i>Melia azedarach</i>
9.	Fagoora/phagoora/Tiamble/timla/ tirmal/ anjiri/ cluster fig/ goolar	<i>Ficus species</i>
10.	Toon	<i>Toona ciliata</i>
11.	Teak/Sagun/Sagwan	<i>Tectona grandis</i>
12.	Arjun	<i>Terminalia arjuna</i>
13.	Semal/Shalmaltas	<i>Bombax ceiba</i>
14.	Bihul/Beul/Bhimul/ Bhi-unal/Dhaman	<i>Grewia species</i>
15.	Paza/Padam	<i>Prunus cerasus</i>
16.	Kamala /Raini/Rohan/ Rohini/Sinduri	<i>Mulotus philippensis</i>
17.	Aam (Commercial/Hybrid/ Improved variety)	<i>Mangifera indica</i>
18.	Rishtak/Ritha/Dode	<i>Sapindus mukorossi</i>
19.	Ban (Maximum up to five trees)*	<i>Quercus leucotrichophora</i>

Appendix-XXII
Notification regarding Forest Rights Act, 2006
 No. Ft.48-66/PR/2013/FRA(FCA)
 Forest Department, Himachal Pradesh.

dated Shimla -171001

15 July, 2016

From:-

Pr. CCF (Hoff) H.P. Shimla

TO:-

1. Pr.C.C.F (W.L) H.P.
2. All C.C.Fs (T&Wildlife)
3. All CFs(T) & CF National Park Shamshi
4. All DFOs (T&W.L) in H.P.

Subject:- Scheduled Tribes and other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 implementation of Sec. 3(2)-Reg.

Memo:-

1. Please refer to this office endorsement of even number dated 20.01.2016 vide which copy of letter F.No.23011/11/2013-FRA dated 14.11.2015 (Copy again enclosed for ready reference) of Dy. Secy. To the Govt. Of India, Ministry of Tribal Affairs received through Addl. Commissioner (T.D.) H.P vides which clarification sought by Tribal Department on the subject have conveyed.

2. It has come to the notice that Divisional Forest Officers (D.F.Os) are not disposing off the cases received under section 3(2) of the Forest Rights Act. In the light of clarification given above & procedure given by Ministry of Tribal Affairs dated 18.05.2009. The section 3(2) of the Forest Right Act. 2006 envisaged that all developmental activities must fulfill the conditions under Section 3(2) of the F.R.A. which are given as under:-

1. The facilities managed by the Government Department.
2. Diversion of less than one hectare of forest land is involved.
3. Cutting of not more than 75 trees.
4. Recommended of the Gram Sabha.
5. This facility is limited to the 13 items listed under section 3(2) of the FRA which are as follows:-
 - a) Dispensary or hospital.

- b) Aanganwadis,
- c) Fair price shops,
- d) Electric and telecommunication lines,
- e) Tanks and other minor water bodies;
- f) Drinking water supply and water bodies,
- g) Water or rain water harvesting structure,
- h) Minor irrigation canals,
- i) Non –Conventional source of energy,
- j) Skill up –gradation or vocational training centers,
- k) Roads, and
- l) Community Centers,

3. Clearances of development project under Section 3(2) are subject to the Condition that the same is recommended by the Gram Sabha. While obtaining the Gram Sabha that no rights Under FRA are likely to be affected by such diversion. It needs to be ensured that no rights are affected or any Forest dweller is evicted due to the diversion of forest land. It has also been noticed that in some cases forest Land diverted under section 3(2), they may accord first condition in the order that legal status of Forest land will be remain unchanged. In case, that forest land has been mutated in the name of User Department, the same may be reverted back to Forest Department.

4. It may also be kept in view that none of the cases of violations of Roads Noticed in addition to 2183 roads already listed for which Hon'ble High Court of H.P. has issued separate Instructions, be dealt under FRA, 2006, and those cases must be processed under provision of FCA, 1980 Irrespective of the extent of area involved.

5. It is requested that above clarification may be implemented in letter and spirit and for any breach of conditions and deviations it will be the sole responsibility of the approving authorities, i.e. DFO's.

Encl: As above.

Notification: - FCA, 1980**Notification of Forests Conservation Act, 1980**

No. 8-6/80-FRY (COORD)

Government of India
Ministry of Agriculture
(Department of Agriculture & Cooperation)
New Delhi the 1st August. 1981

C.S.R. 819.....In exercise of the powers conferred by Sub-Section (1) of section 4 of the Forest (Conservation) Act, 1980 (69 of 1980), the Central Government hereby makes the following rules, namely:-

1. Short title, extent and commencement:
 - (1) These rules may called the Forest (Conservation) Rules. 1981.
 - (2) They shall extend to the whole of India except the State of Jammu and Kashmir.
 - (3) They shall come into force on the date of their publication in the Official Gazette.
2. Definition :-In these rules, unless the context otherwise requires:-
 - (a) "Act means the Forest (Conservation) Act, 1980 (69 of 1980);
 - (b) "Committee" means the Committee constituted under section 3
 - (c) "Chairman" means the Chairman of the Committee.
 - (d) "Member" means a member of the Committee.
 - (e) "Section" means a section of the Act.
3. The meetings of the Committee shall, unless the Chairman in any case otherwise directs, be held in Delhi.
4. The Chairman shall preside over every meeting of the Committee at which he is present.
 Provided that if the Chairman is absent from a meeting and it is not expedient to adjourn the meeting, the senior most member of the Committee, shall preside over the meeting.
5. Every question upon which the committee is required to advise shall be considered either at its meetings, or if the Chairman so directs, by sending necessary papers to members for their opinion.
6. Procedure to make proposal by a State Government or other authority.
 - (1) Every State Government or other authority which seeks prior approval of the Central Government under section 2 shall send its proposal to that Government along with the particulars specified in the Annexure to these rules.
 - (2) Every proposal referred to in sub rule (1) shall be sent to the following address, namely, 'Secretary to the Government of India, Department of Agriculture and Co-operation, Krishi Bhavan New Delhi.
7. Committee to advise on proposals received by the Central Government

- (1) The Central Government may refer any proposal received by it under sub-rule (1) of rule (4) to the committee for its advice thereon.
- (2) The committee shall have due regard to all or any of the following matters while tendering its advice on the proposals referred to it under sub-rule (1), namely:-

(a) Whether the forest land proposed to be used for non-forest purpose forms part of nature reserve, national park, wildlife sanctuary, biosphere reserve or forms part of the habitat of any endangered threatened species of flora and fauna or of an area lying in severely eroded catchment.

(b) Whether the use of any forest land is for agricultural purposes or for the rehabilitation of persons displaced from their residences by reason of any river valley or hydro-electric project.

(c) Whether the State Government or the other authority has certified that it has considered all other alternatives and that no other alternatives in the circumstances are feasible and that the required area is the minimum needed for the purpose and

(d) Whether the State Government or the other authority undertakes to provide at its cost for the acquisition of land of an equivalent area and afforestation thereof.

- (3) While tendering the advice, the Committee may also suggest any conditions or restrictions on the use of any forest land for any non-forest purpose which in its opinion, would minimize adverse environmental impact.

8. Action of the Central Government on the advice of the committee:-

The Central Government shall after considering the advice of the committee tendered under rule 5 and after such further enquiry as it may consider necessary grant approval to the proposal with or without conditions or reject the same.

**New Delhi, the 27th December, 1980 / Pause 6, 1902 (Saka)
The Forest (Conservation) Act 1980
No. 69 of 1980 (27th December, 1980)**

An Act to provide for the conservation of forests and for matters connected therewith or ancillary or incidental thereto.

Be it enacted by Parliament in the Thirty-first year of the Republic of India as follows:

1. Short title, extent and commencement:

- (1) It extends to the whole of India except the State of Jammu and Kashmir. (3)
- (2) It shall be deemed to have come into force on the 25th day of October 1980.

(Restriction on the de-reservation of forests or use of forest land for non forest purpose):

Notwithstanding anything contained in any other law for the time being in force in a State, no State Government or other authority shall make, except with the prior approval of the Central Government, any order directing:-

- (i) that any reserved forest (within the meaning of the expression "reserved forest" in any law for the time being in force in that State) or any portion thereof, shall cease to be reserved;
- (ii) that any forest land or any portion thereof may be used for any non-forest purposes.
- (iii) that any forest land or any portion thereof may be assigned by way of lease or otherwise to any private person or to any authority, corporation, agency or any other Organisation not owned, managed or controlled by Government.
- (iv) That any forest land or any portion thereof may be cleared of trees which have grown naturally in that land or portion, for the purpose of using it for afforestation.

THE GAZETTE OF INDIA EXTRAORDINARY(PART-II)

Explanation:- For the purpose of this section "non-forest purpose" means the breaking or clearing of any forest land or portion thereof for:-

350

- (a) The cultivation of tea, coffee, species, rubber, palms, oil-bearing plants, horticultural crops of medicinal plants;
- (b) Any purpose other than reafforestation, but does not include any work relating or ancillary to conservation, Development and management of forests and wildlife, namely, the establishment of check-posts, fire lines, wireless communications and Construction of fencing, bridges and culverts, dams, waterholes, trench marks, boundary marks, pipelines or other like purposes.

3. Constitution of Advisory Committee:- The Central Government may constitute a Committee consisting of such number of persons as it in may deem fit to advise that Government with regard to:-

- (i) the grant of approval under section 2; and 1
- (ii) any other matter connected with the conservation of forests which may be referred to it by the Central Government.

4. Power to make 351ules:

- (1) The Central Government may by notification in the Official Gazette, makes rules for carrying out the provisions of this Act.
- (2) Every rule made under this Act shall be laid as soon as may be after it is made, before each House of Parliament, while it is in session, for a total period of thirty days which may be comprised in one session or in two or more and if, before the expiry of the session immediately following the session or the successive sessions aforesaid, both Houses agree in making any modification in the rule or both Houses agree that the rule should not be made, the rule shall thereafter have effect only in such modified form or be of no effect, as the case may be; so, however, that any such modification or annulment shall be without prejudice to the validity of anything previously done under that rule.

5. Repeal and saving:-

- (1) The Forest (Conservation) Ordinance, 1980 (17 of 1980), is hereby repealed.
- (2) Notwithstanding such repeal, anything done or any action taken under the provisions of the said Ordinance shall be deemed to have been done or taken under the corresponding provisions of this Act.

No. FFE-B-A(3)-1/2017 Dated: Shimla-2, the 21st December, 2020.

ORDER

WHEREAS, vide Order No. FFE-B-A(3)-4/99 dated 10-09-2002, issued under section 4 of the Himachal Pradesh Land Preservation Act, 1978 (Act No. 28 of 1978) and published in the Rajpatra Himachal Pradesh (Extra Ordinary) on 4th of October, 2002, felling of trees from the private land were temporarily regulated, restricted and prohibited in certain areas of the State;

AND WHEREAS, the State Government is satisfied, after due enquiry under section 7 of the Act *ibid*, it is necessary and expedient further to amend the said order for the purpose of giving effect to the provisions of the said Act;

NOW, THEREFORE, in exercise of the powers conferred by section 4 of the Act *ibid*, the Governor, Himachal Pradesh is pleased to make the following amendments in the said Order, namely:-

AMENDMENTS

1. Amendment of Para-1.- For the provisions contained under third proviso to para 1 of the said order, the following shall be substituted; namely,—

"No. of trees	Competent authority to grant permission to fell the trees
-Upto 200 trees in a year	Concerned Divisional Forest Officer
-Upto 300 trees in a year	Concerned Chief Conservator of Forests/Conservator of Forests
-Upto 400 trees in a year	Principal Chief Conservator of Forests (Head of Forest Force), Himachal Pradesh.
-Above 400 trees in a year	Himachal Pradesh Government"

2. Amendment of para-6.- For the para 6 of the said order, the following shall be substituted; namely,—

"In case of trees are not felled within the prescribed year, the competent authority may extend the period upto one year in the following circumstance:-

hain

-2-

- i. where the process of demarcation of land and marking of trees have been completed during the prescribed year of felling and felling orders stand issued by the Divisional Forest Officer concerned, but felling of trees has not been done or has been done partly; and
- ii. where process of demarcation of land and marking of trees has been completed during the prescribed year of felling but felling orders have not been issued.

Provided that the competent authority to grant extension in working period upto one year shall be the following:-

No. of trees	Authority to grant extension in Working Period
Upto 200 trees	Concerned Chief Conservator of Forests/Conservator of Forests
Above 200 trees	Principal Chief Conservator of Forests (Head of Forest Force), Himachal Pradesh

Explanation:- "Prescribed year" means the financial year in which trees are to be felled in respect of particular area in accordance with the ten years felling programme approved by the State Government."

By order,

R.D.Dhiman

Copy of letter No. Fts (B)-(7)-16/85-II dated 26th October, 1998 from the Commissioner-cum-Secretary (Fts.) to the Govt. of H.P. addressed to The Principal Chief Conservator of Forests, H.P. Shimla-171001 and copy of which endorsed to The Chief Wildlife Warden, H.P. Shimla-2 and DFOs (Wildlife) Shimla, Sarahan, Kullu and Chamba.

Subject:- Loss caused by the wild animals to the Personal properties of the public- relief thereof.

Sir,

Jai Hind,

I am directed to say that the matter with regard to grant of relief in favour of the public on account of losses caused by the wild animals, especially by monkeys has been engaging the attention of the Government for sometime past. In this context your attention is invited to Section-11(1) (a) and (b) of Chapter-III of the wildlife (Protection) Act, 1972 which provides that chief Wildlife Warden or the authorized officer is fully empowered to issue the permit to hunt animals which cause damage to human life or public property (including standing crops or any land).

2. You are, therefore, requested to take further necessary action to issue suitable direction to the concerned officers immediately under intimation to this Department.

Yours faithfully,

Sd/-

Under Secretary (Forests) to the
Government of Himachal Pradesh.

Notification: - Regulation of the compounding of Forest Offence

(Authoritative English text of the Department Notification No. FFE-B-A(3)-3/2010 dated as required under Article 348(3) of the Constitution of India)

Government of Himachal Pradesh
Forests Department

NOTIFICATION

No.FFE-B-A(3)-3/2010

Dated: 05.05.2010

In exercise of the powers conferred by Section 68 of the Indian Forest Act, 1927 read with directions issued by the Hon'ble High Court of Himachal Pradesh vide its judgement dated 28.8.2009 in COPC No.56/2009, titled as Kuldip Singh Chauhan Vs Balbir Singh and others and in supersession of all the previous guidelines issued on the subject, the Governor, Himachal Pradesh is pleased to empower all the Range Officers-in-charge of the ranges to compound forest offences and to accept compensation and / or release the seized property as mentioned in the aforesaid section. The regulation of the compounding of forest offences, disposal of the cases of illicit felling and other forest offences shall be as under:-

1. Cases not liable to be compounded:- The following are the cases which shall not be compounded, namely:-

- (xiii) Illicit transport of resin, timber, katha and bamboos irrespective of magnitude of offence;
- (xiv) Cases of habitual offenders i.e. an offender who commits more than one offence during the year;
- (xv) Illicit encroachment of forest land;
- (xvi) Where an individual/right holder/saw-miller is in possession of unaccounted timber, resin, katha for which satisfactory proof of procurement is not given by him;
- (xvii) Where value of forest produce is more than rupees two lacs;
- (xviii) Illegal establishment of depot and illegal running of saw mills;
- (xix) Deliberate causing of forest fire;
- (xx) Illegal purchase and sale of timber;
- (xxi) Cases under Section 62 and 63 of the Indian Forest Act, 1927;
- (xxii) Cases of shifting/uprooting/intentionally damaging the forest boundary pillars;
- (xxiii) Defacing of hammer marks; and
- (xxiv) Infringement on the stipulations imposed by Government of India while granting permission under Forest Conservation Act, 1980 and rules framed thereunder.

2. Cases which may be compounded:-

(1) Forest offences cases of right holders in the following circumstances can be compounded:-

- (d) Where illicit felling of trees has been done to meet the bonafide domestic requirements and the offence is petty in nature.

Note:- The expression 'petty offences' in relation to illicit felling shall mean the offence where the amount involved is less than rupees two lakh. For determining that the offence is for bonafide domestic use, it must be established during investigation that timber has actually been used for domestic purpose only.

- (e) No case of petty forest offences involving illicit felling shall be compounded until an enquiry and investigation is held by an officer not below the rank of Forest Ranger.
- (f) Weak cases lacking in evidence and subsequently rendered un-fit for challan shall be compounded after examination by Divisional Forest Officer on advice of concerned District Attorney. Where there is difference of opinion between the Divisional Forest Officer and District Attorney, the Conservator of Forests thereon shall be final.

(2) All forest offence cases relating to illicit lopping against the regulatory provisions/rules by right holders either for the purpose of fodder or fuel shall be compounded and taken to courts only if the accused refuses to compound the same.

(3) Cases relating to illicit grazing shall be compounded and be taken to courts only if the offender refuses to compound.

(4) No case of violation of provisions of H.P. Land Preservation Act, 1978 shall be compounded except, where no element of trade is involved and unauthorised felling of trees from private land is for bonafide domestic use and involves not more five trees than the limit specified under the Act *ibid*.

(5) In all cases to be compounded under Indian Forest Act, 1927, in addition to the acceptance of compensation as per provisions of the said Act, the case property shall not be released after charging value thereof at the market rate.

(6) In cases to be compounded under Himachal Pradesh Land Preservation Act, 1978 only compensation for the forest offence shall be charged and no value for release of property be charged.

(7) In the under mentioned cases double rates shall be charged both for compensation and release of property

- (vii) Where offence is committed before sun rise or after sun set;
- (viii) Where offence is committed in reserve forest ;

- (ix) Where resistance is offered at the time of detection of offence;
- (x) Where compounding of offence is done with the permission of the court where the matter is pending for adjudication;
- (xi) Unauthorized uprooting of stumps of all species; and
- (xii) Offence committed in plantation or regeneration area.

(8) Forest offences relating to unavoidable damages caused by the Companies or Corporate Bodies shall be compounded after ascertaining by an officer not below the rank of Divisional Forest Officer, that the damage is unavoidable.

(10) Forest offences relating to avoidable damages upto Rs. 2 lacs caused by the Companies or Corporate Bodies shall be compounded after realizing value of the forest produce and compensation at the double rates.

Explanation:- 1. 'Avoidable damage' means the damage which can be avoided by taking reasonable humanly or mechanical precaution.

2. 'Unavoidable damage' means the damage which cannot be avoided even by taking reasonable humanly or mechanical precaution.

3. Cases to be taken to Courts by the Forest Department:- The following cases shall be taken to courts by department and defended through District Attorneys:-

- (v) Cases not liable to be compounded as detailed at para 1 of this notification;
- (vi) Where offender refuses to compound the offence;
- (vii) Where the value of produce involved is between rupees two lacs and rupees ten lacs; and
- (viii) Cases of avoidable damages caused by the Companies/Corporate Bodies involving amount more than Rs. 2 lacs and upto Rs. 10 lacs.

4. Cases to be registered with Police:- The following types of cases shall be registered with the police by the department, namely:-

- (vii) Forest offence cases where the value of produce is more than rupees ten lacs;
- (viii) Cases relating to area where Indian Forest Act, 1927 and rules framed thereunder are not applicable or there are no special rules under which prosecution is possible.
- (ix) Where Divisional Forest Officer concerned considers that police rather than Forest Department may deal with the matter to have deterrent effect. In all these cases, previous sanction of Conservator of Forests shall be obtained.
- (x) When encroachment is detected on forest land, action for removal of such encroachment shall be initiated under the Himachal Pradesh Public Premises and Land (Eviction and Rent Recovery) Act, 1971 and also action for committing forest offence by the

encroacher shall be initiated under the Indian Forest Act, 1927. FIR under various provisions of Indian Penal Code shall be registered with Police in case:-

- (v) boundary pillars have been tampered with;
- (vi) permanent structure has been made;
- (vii) area encroached is more than 10 bighas;
- (viii) offence of encroachment is committed repeatedly;
- (xi) there is encroachment within the protected area network (PAN) i.e. in a Wildlife Sanctuary or National Park.
- (xii) The cases involving avoidable damages exceeding rupees 10 lacs caused by the Companies or Corporate Bodies.

5. The powers for fixing of rates of compensation, value of forest produce, implements and review of damage reports shall be as under:-

- (v) The rates of compensation of forest offence including illegal/illicit muck dumping shall be fixed by the concerned Conservator of Forests of the Circle.
- (vi) The value of forest produce will be determined at the market value as fixed by the Principal Chief Conservator of Forests every year. The value of minor forest produce shall be the market value prevalent at that time to be fixed by the Conservator of Forests.
- (vii) The rates of implements involved in the offence and to be released on compounding of the offence shall be fixed by Conservator of Forests of the circle.
- (viii) All the damage reports shall be dealt with and reviewed at the range level for compounding and prosecution on monthly basis and report in this respect shall be sent to the Divisional Forest Officer.

By Order

Additional Chief Secretary (Forests) to the
Government of Himachal Pradesh.

Notification: - TD Rule amendment rules 2016

(Authoritative English Text of this Department Notification No. FFE-B-A(3)4/2015, dated- as required under clause (3) of article 348 of the Constitution of India)

**Government of Himachal Pradesh
Department of Forests**

No. FFE-B-A (3) 4/2015 Dated: Shimla-2, the **26 February, 2016**
Notification

Whereas, the draft Himachal Pradesh Forest (Timber Distribution to the Right Holders) Amendment Rules, 2015 were published in the Rajpatra, Himachal Pradesh on 15-09-2015 vide Notification of even No. dated 03-09-2015 for inviting objection(s) and suggestion(s) from person(s) likely to be affected thereby within a period of 30 days from the date of their publication;

Whereas, no objection(s) or suggestion(s) from any interested person(s) has/have been received by the Principal Chief Conservator of Forests (HoFF), Himachal Pradesh within the above stipulated period;

Now, in exercise of the powers conferred by clause (L) of section 32 of the Indian Forest Act, 1927 (16 of 1927), the Governor of Himachal Pradesh is pleased to make the following rules further to amend the Himachal Pradesh Forest (Timber Distribution to the Right Holders) Rules, 2013 notified vide Notification No. FFE-B-E(3)43/2006-Vol-II, dated 26-12-2013 and published in the Rajpatra, Himachal Pradesh on 28-12-2013, namely:-

- | | | | |
|-------------------------------|----|-----|--|
| Short title and commencement. | 1. | (1) | These rules may be called the Himachal Pradesh Forest (Timber Distribution to the Right Holders) Amendment rules, 2016. |
| | | (2) | They shall come into force from the date of their publication in the Rajpatra, Himachal Pradesh. |
| Amendment of rule 2 | 2. | | In rule 2 of the Himachal Pradesh Forest (Timber Distribution to the Right Holders) Rules, 2013 (hereinafter referred to as the "said rules"), for clause(e), the following clause shall be substituted, namely:-
“(e) Timber Distribution Rights means right of a Right Holder having cultivable land, acquired only through inheritance, for grant of timber for construction, repair and addition or alteration of residential house and cow shed for bonafide domestic use of the Right Holder as recorded in the Forest Settlement Report of the area concerned: |

Provided that no person who have purchased land for construction of residence, cultivation or any other allied purpose settled from outside in the revenue estate shall be entitled for Timber Distribution rights”.

Amendment
of rule 3.

3.

In rule 3 of the said rules, for clauses (ii) and (vi), the following new clauses (ii) and (vi), shall respectively be substituted, namely:-

"(ii) in case Right Holder has land holding which qualifies him for grant of timber at more than one place, he may be granted timber only at one place where he actually resides;

(vi) timber shall not be granted to the Right Holders, if salvage trees for the purpose are not available in the forest where concerned Right Holders have Timber Distribution rights".

Amendment
of rule 4.

4.

In rule 4 of the said rules, for sub rule (2), the following sub-rule shall be substituted, namely:-

"(2) Trees shall be given from salvage (fallen, dry standing) trees. No green standing trees shall be granted to the Right Holder".

Amendment
of rule 5.

5.

In rule 5 of the said rules, in clauses (i) and (ii), for the words "fifteen years" and "five years", the words "twenty years" and "ten years" shall respectively be substituted.

Substitution
of rule 7.

6.

For rule 7 of the said rules, the following rule shall be substituted, namely:-

"7. **Procedure for grant of trees.** - The Right Holder may apply for grant of trees on annexure-I to the Gram Panchayat concerned after getting necessary remarks from the Patwari concerned about his land holding acquired through inheritance and rights. The concerned Gram Panchayat shall scrutinize the applications for making recommendations after ascertaining the genuineness of the requirement of the Right Holders. The recommendation shall be made in the form of a resolution of the Gram Panchayat. Thereafter, Right Holder shall submit his application to the Forest Guard of the area who shall enter the same in the register maintained for the purpose and shall acknowledge the receipt of the application to the Right Holder and shall send the application with his recommendations to the Block Officer after ascertaining the genuineness of demand, who in turn shall submit the application alongwith his recommendations to the Range Officer. The Range Officer shall forward the same with his recommendations to the Divisional Forest Officer. After receipt of application from the Range Officer,

the Divisional Forest Officer shall take action for grant of the trees after satisfying himself about the genuineness of the requirements and availability of salvage trees in the concerned forest and intimate his decision to the Right Holder concerned as per Annexure-II appended to these rules".

Amendment 7.
of rule 12.

In rule 12 of the said rules, after the words and sign "Thereafter, "another," the word "salvage" shall be inserted.

Substitution 8.
of rule 14.

For rule 14 of the said rules, the following rule shall be substituted, namely:-

"14 **Penalties.**- If any Right Holder, contravenes any of the provisions of these rules, except rule 3(ii), in utilization of timber obtained, his rights shall be suspended for next twenty years. In the case of contravention of rule 3(ii), Timber Distribution Rights of such Right Holder shall be suspended permanently. The Right Holder, in addition to the above penalty; shall also be liable to pay the cost of the tree at the market rate.

Substitution of 9.
Annexure-I

For annexure-I annexed to the said rules, the following Annexure shall be substituted namely:-

"Annexure-I"

Notification: - Reg. compounding of forest offence cases

GOVERNMENT OF HIMACHAL PRADESH
FOREST DEPARTMENT

NOTIFICATION

No.FFE-B-A93)-3/2010Dated 05-05-2010.

In exercise of the powers conferred by Section 68 of the Indian Forest Act, 1927 read with directions issued by the Hon'ble High court 28.8.2009 in COPC No.56/2009, titled as Kuldip Singh Chauhan Vs Balbir Singh and others and in supersession of all the previous guidelines issued on the subject, the Governor, Himachal Pradesh is pleased to empower all the Range Officers-in-charge of the ranges to compound forest offences and to accept compensation and/or release the seized property as mentioned in the aforesaid section. The regulation of the compounding of forest offences, disposal of the cases of illicit felling and other forest offences shall be as under:-

1. Cases not liable to be compounded:- The following are the cases which shall not be compounded, namely:-

- i) Illicit transport of resin, timber, katha and bamboos irrespective of magnitude of offence;
- ii) Cases of habitual offenders i.e. an offender who commits more than one offence during the year;
- iii) Illicit encroachment of forest land;
- iv) Where an individual/right holder/saw-miller is in possession of unaccounted timber, resin, katha for which satisfactory proof of procurement is not given by him;
- v) Where value of forest produce is more than rupees two lacs,
- vi) Illegal establishment of depot and illegal running of saw mills;
- vii) Deliberate causing of forest fire;
- viii) Illegal purchase and sale of timber;
- ix) Cases under Section 62 and 63 of the Indian Forest Act, 1927;
- x) Cases of shifting/uprooting/intentionally damaging the forest boundary pillars;
- xi) Defacing of hammer marks; and
- xii) Infringement on the stipulations imposed by Government of India while granting permission under Forest Conservation Act, 1980 and rules framed thereunder.

Cases which may be compounded:-

- (1) Forest offences cases of right holders in the following circumstances can be compounded
 - (a) Where illicit felling of trees has been done to meet the bonafide domestic requirements and

the offence is petty in nature.

Note: - The expression 'petty' offences' in relation amount involved in less than rupees two lakh. For determining that the offence is for bonafide domestic use, it must be established during investigation that timber has actually been used for domestic purpose only.

- (b) No case of petty Forest offences involving illicit felling shall be compounded until an enquiry and investigation is hold by an officer not below the rank of Forest Ranger.
 - (c) Weak cases lacking in evidence and subsequently rendered un-fit for challan shall be compounded after examination by Divisional Forest Officer on advice of concerned District Attorney. Where there is difference of opinion between the Divisional Forest Officer and District Attorney, the Conservator of Forests thereon shall be final.
- 2) All forest offence cases relating to illicit lopping against the regulatory provisions/rules by right holders either for the purpose of fodder or fuel shall be compounded and taken to courts only if the accused refuses to compound the same.
 - 3) Cases relating to illicit grazing shall be compounded and be taken to courts only if the offender refuses to compound.
 - 4) No case of violation of provisions of H.P. Land Preservation Act, 1978 shall be compounded except, where no element of trade is involved and unauthorized felling of trees from private land is for bonafide domestic use and involves not more five trees than the limit specified under the Act *ibid*.
 - 5) In all cases to be compounded under Indian Forest Act, 1927, in addition to the acceptance of compensation as per provisions of the said Act, the case property shall not be released after charging value thereof at the market rate.
 - 6) In cases to be compounded under Himachal Pradesh Land Preservation Act, 1978 only compensation for the forest offence shall be charged and no value for release of property be charged.
 - 7) In the under mentioned cases double rates shall be charged both for compensation and release of property
 - (i) Where offence is committed before sun rise or after sun set;
 - (ii) Where offence is committed in reserve forest,
 - (iii) Where resistance is offered at the time of detection of offence;
 - (iv) Where compounding of offence is done with the permission of the Court where the matter is pending for adjudication,
 - (v) Unauthorized uprooting of stamps of all species, and
 - (vi) Offence committed in plantation or regeneration area.
 - 8) Forest offences relating to unavoidable damages caused by the Companies or corporate Bodies shall be compounded after ascertaining by an officer not below the rank of Divisional Forest Officer, that the damage is unavoidable.

- 9) Forest offences relating to avoidable damages upto Rs. 2 lacs caused by the companies of Corporate Bodies shall be compounded after realizing value of the forest produce and compensation at the double rates.

Explanation: -1. 'Avoidable damage' means the damage whumanly or mechanical precaution.

2. 'Unavoidable damage' means the damage whic humanly or mechanical precaution.

3. Cases to be taken to Courts by the Forest Department:- The following cases shall be taken to courtsby department and defended through District Attorneys:-

- i) Cases not liable to be compounded as detailed at para 1 of this notification;
- ii) Where offender refuses to compound the offence;
- iii) Where the value of produce involved is between rupees two lacs and rupees ten lacs; and
- iv) Cases of avoidable damages caused by the companies/Corporate Bodies involving amount more than Rs. 2 lacs and uptoRs. 10 lacs.

4. Cases to be registered with Police: - The following types of cases shall be registered with thepolice by the department, namely:-

- i) Forest offence cases where the value of produce is more than rupees ten lacs;
- ii) Cases relating to area where Indian Forest Act, 1927 and rules framed there under are not applicable or there are no special rules under which prosecution is possible.Where Divisional Forest Officer concerned considers that police rather than Forest Department may deal with the matter to have deterrent effect. In all these cases, previous sanction of Conservator of Forests shall be obtained.
- iii) When encroachment is detected on forest land, action for removal of such encroachment shall be initiated under the Himachal Pradesh Public Premises and Land (Eviction and Rent Recovery) Act, 1971 and also action for committing forest offence by the encroacher shall be initiated under the Indian Forest Act, 1927. FIR under various provisions of Indian Penal Code shall be registered with Police in case:-
 - (i) Boundary pillars have been tampered with;
 - (ii) Permanent structure has been made;
 - (iii) Area encroached is more than 10 bighas;
 - (iv) Offence of encroachment is committed repeatedly;
 - (v) There is encroachment within the protected area network (PAN) i.e. in a Wildlife Sanctuary or National Park.
 - (vi) The cases involving avoidable damages exceeding rupees 10 lacs caused by the Companies or Corporate Bodies.

1. **The powers for fixing of rates of compensation, value of forest produce, implements and review of damage reports shall be as under:-**

- i) The rates of compensation of forest offence including illegal/illicit muck dumping shall be fixed by the concerned Conservator of Forests of the Circle.
- ii) The value of forest produce will be determined at the market value as fixed by the Principal Chief Conservator of Forests every year. The value of minor forest produce shall be the market value prevalent at that time to be fixed by the Conservator of Forests.
- iii) The rates of implements involved in the offence and to be released on compounding of the offence shall be fixed by Conservator of Forests of the circle.
- iv) All the damage reports shall be dealt with and reviewed at the range level for compounding and prosecution on monthly basis and report in this respect shall be sent to the Divisional Forest Officer.

By Order

Additional Chief Secretary (Forests) to the
Government of Himachal Pradesh.

Notification: - Reg. Task Force

GOVERNMENT OF HIMACHAL PRADESH
FOREST DEPARTMENT

No. FFE-B-A (11)-1/2006-II Dated, Shimla-2, 31-05-2011.

NOTIFICATION

In pursuance to the Order dated 20-05-2011 passed by the Hon' Himachal Pradesh in Cr. M.P. No.1299/2008 titled as Yoginder Singh V/S State of Himachal Pradesh, the Governor, Himachal Pradesh is pleased to constitute Task Force (s) in all Forest Divisions of the Forest Department comprising of the following officers:-

1. Divisional Forest Officer
2. Deputy Superintendent of Police in the jurisdiction of the Forest Division
3. Tehsildar (s) or NaibTehsildar(s) as the case may be.
2. In the above Task Force(s), Divisional Forest Officer(s) shall function as convener of the Task Force(s) and meet regularly as per need.
3. The above Task Force(s) shall facilitate the process of registration of F.I.R.s, including putting up of challan(s) against the persons, who have encroached upon more than 10 bighas of forest, land as per order- of mentioned case. F.I.Rs will be lodged on or before 19-06-2011 as per orders of the Hon'ble High Court.
4. The Divisional Forest Officer will give a certificate duly counter signed by the Conservator of Forests that there is no encroachment on 10 Bighas of foest land made in the area falling in his jurisdiction.
5. The Task Force(s) shall work directly under the superintendence and control of the Monitoring Committee as constituted by

By Order

Addl. Chief Secretary (Forests) to the
Government of Himachal Pradesh.

Notification: - PARTICIPATORY FOREST MANAGEMENT RULES –2001

(Authoritative English text of this Department Notification No. Fts-II (B)15-10/87
Dated 23.8.2001 as required under clause (3) of article 348 of the Constitution of
India)

NOTIFICATION

No. Fts. II (B) 15- 10/87Dated 23.08.2001

In exercise of the powers conferred by section 80 read with section 81 of the Indian Forest Act, 1927 (Act No. XVI of 1927), the Governor, Himachal Pradesh is pleased to make the following Regulations, namely:

1. Short title, application and commencement:

- (1) These Regulations may be called the Himachal Pradesh Participatory Forest Management Regulations, 2001.
- (2) They shall apply to such Government forests and such Government land including the common land, which shall be selected jointly for participatory forest management by the Society and the Department.
- (3) They shall come into force from the date of publication in Rajpatra, Himachal Pradesh.

2. Definitions:

In these Regulations, unless there is anything repugnant in the subject or context, -

- (a) **“Act”** means The Indian Forest Act, 1927 its application to Himachal Pradesh;
- (b) **“Conflict Resolution Group”** means a group consisting of a representative of the concerned Gram Panchayat, a representative of the local non-government organizations or local community based organizations and the concerned Assistant Conservator of Forests;
- (c) **“common land”, “family”, “GramPanchayat”, “Panch” “Pradhan”**, **“village”** and **Ward** “shall have the meanings need to them in the Himachal Pradesh Panchayati Raj Act, 1994 (Act No. 4 of 1994);
- (d) **“Department”** means the Himachal Pradesh Forest Department;
- (e) **“Divisional Forest Officer** means in- charge of forest territorial office or wildlife forest division of the Department;

- (f) **“Executive Committee”** means executive body of the committee.
- (g) **“Forest Officer”** means a Forest Officer-section(2)of as de section 2 of the Act;
- (h) **“General House”** means house General of the Society.
- (i) **“Government”** means Government of Himachal Pradesh.
- (j) **“Grazier group”** means a group of persons, w migratory graziers, who are dependent on the grazing resource in the selected area for meeting their livelihood needs;
- (k) **“Micro- plan”**, means a holistic forestof mana the area selected for participatory management;
- (l) **“Participatory forest management”** means management of Government forest and Government land including common land managed jointly by the Society and by the Department;
- (m) **“Selected area”** means any Government forest a common land selected under regulation 3 of these Regulations;
- (n) **“Self help group”** means any organized group of persons, who collectively by mutual help are able to enhance their economic status through resource based activities;
- (o) **“Site specific plan”** means a sub component-planwhichisa of t technically appropriate plan for the site;
- (p) **“Society”** means village forest developmenof the Societies Registration Act, 1860 (Act No. 21 of 1860) for participatory forest management;
- (q) **“Sustainable forest management”** means management whic viable, environmentally benign and socially beneficial, and which balances present and future needs; and
- (r) **“User group”** means a group of persons dependent upon common natural resource for sustaining its livelihood needs.

3. Intent of participatory forest management:

- (1) On an application made to the Divisional Forest Officer signed by at least 50 percent of the voters of a Gram Panchayat Ward, any Government forest and Government land including common land may be brought under participatory forest management. The land so identified shall be known as selected area.
- (2) In accordance with the wider objectives and plans of Government for sustainable forest management, the selected area shall be managed jointly

by the Society and the Department on the terms and conditions of an agreement to be entered between the Society and the Department.

4. Village forest development society:

- (1) There shall be a Society for a Gram Panchayat Ward. However, where the Ward is not compact and the hamlets within it do not have common forests, common grazing lands, common rights and concessions more than one Society may be formed for each cluster of hamlets. The Society shall be registered under section 3 of the Societies' Registration Act,
- (2) All voters of a Gram Panchayat Ward shall be entitled to be enrolled as members of the Society.

5. Constitution of Executive Committee of the Society:

The Executive Committee shall consist of -

- a) President to be elected by the General House;
- b) Vice President -do-
- c) Four Members -do-
- d) Treasurer to be nominated by the elected members from amongst the members of the Society;
- e) Joint Secretary (woman) -do-
- f) Ward Panch ex-officio member;
- g) President - Mahila Mandal -do-
- h) Representative - Local women group -do-
- i) Three Members to be co-opted from the village level committees constituted by other departments of the Government, societies registered under the Societies Registration Act, 1860, (Act No. 21 of 1860), user groups, self help group and grazier group;
- j) Member- Secretary to be elected by the General House. Provided that at least 7 members of the Executive Committee shall be from amongst the women. Joint Secretary shall assist the Member-Secretary.

6. Term of office of members of the Executive Committee:

Elected members of the Executive Committee shall hold office for a period of two years from the date of assumption of office.

7. Powers of the Executive Committee:

The Executive Committee shall exercise assigned by the Government under the Act.

8. Usufruct Sharing:

The Society shall be entitled to the following benefits, namely :-

- a) to collect the yield such as fallen twigs, branches, loppings, grass, fruits,

flowers, seeds, leaf fodder and non timber forest products free of cost;

- b) to the sale proceeds of all intermediate harvest, subject to protection of forest and plantations for at least 3 years from the date of agreement;
- c) to organize and promote vocational activities related to forest produce and land; and other activities such as promotion of self help groups which may provide direct benefits, including micro-lending to women. None of the activities so promoted shall affect the legal status of the forest land;
- d) recorded rights over the forest shall not be affected by these benefits;
- e) the Government shall charge no royalty on the forest produce within the selected area;
- f) after 5 years, the Society may expand the area, on the basis of a fresh agreement deed, by inclusion of adjoining or nearby areas;
- g) after 20 years from the date of agreement and, based on the principles of sustained forest management, 75 percent of the net sale proceeds from the selected area shall be put into the account of Society and the remaining 25 percent of the net sale proceeds shall go to the concerned Gram Panchayat; and
- h) To utilize at least 40 percent of the net sale proceeds on forest regeneration activities including soil and water conservation. Provided that for the purpose of usufruct sharing, family shall be one unit.

9. Funds:

Funds shall be generated by the Society through contributions by members and the sale of usufructs under these regulations. All funds, including those received from the Government, Gram Panchayats and non-government sources shall be utilized through the micro-planning process.

- 10. Maintenance of Accounts:** The sum received by the Society shall be deposited in the name of the concerned Society in a nationalized bank or scheduled bank or co-operative bank or post office and the account shall be operated under the signatures of the President, Treasurer and Member-Secretary of the Society.

- 11. Grant-in-Aid:** The department shall release Grant-In- Aid to the Society under the Grant-In-Aid Rules subject to the availability of funds and satisfactory performance of functions by the Society.

- 12. Settlement of Dispute:** In case of any dispute in relation to usufruct sharing in the Society, the Deputy Ranger concerned of the Department, shall take steps to reconcile the dispute. In case the dispute is not resolved, the Deputy Ranger shall refer the dispute, along with his report to the Range Officer concerned of the Department. The Range Officer, after hearing the parties, shall resolve the dispute within 30 days from the date of receipt of report of the Deputy Ranger.

- 13. Appeal:** An appeal shall lie from the decision of the Range Officer to the Conflict Resolution Group to be filed within 30 days from the date of decision, who shall decide the same within 60 days from the date of filing of appeal, after affording an opportunity of being heard to the parties. The decision of the Conflict Resolution Group shall be final and binding on the parties. The Conflict Resolution Group shall send a copy of the decision to the Society and the Divisional Forest Officer concerned free of cost.
- 14. Preparation of micro-plans:**
- (1) A micro-plan shall be prepared for the holistic forest management and development of the selected area, by the Society. The Department shall help the Society in preparation of the micro-plan. A micro-plan shall be operative for a period of five years from the date of its approval by the Divisional Forest Officer and may be revised after three years. The micro-plan shall be passed in the general house with at least 60 percent majority of the members present.
 - (2) The Divisional Forest Officer may approve whole or part of the micro-plan.
- 15. Powers of the Government:** Notwithstanding anything contained in these regulations, the Government shall have the powers to issue directions to the Society on participatory forest management processes, micro-planning, co-ordination, monitoring, and grant -in -aid and implementation mechanisms.

BY ORDER

FC-cum Secretary (Forests) to the
Government of Himachal Pradesh

HIMACHAL PRADESH FOREST DEPARTMENT SAMUDAYIK VAN SAMVARDHAN YOJNA

(A scheme to strengthen participation of local communities in conservation and development of forests through plantation of useful plant species)

1. Introduction

Himachal Pradesh has total geographical area of 55673 sq. km. out of which 37033 sq. km is legally classified as forest forming about two third of the total geographical area. The actual forest cover is though only 27.12 %. The forest wealth of the state plays a crucial role in meeting a large part of the daily requirements of fuel wood, fodder, small timber and fruits etc. of the rural communities. A large number of rural households also collect a variety of medicinal herbs from the forests for generating a substantial portion of their cash income. In addition many other prime growth sectors of States economy like hydro- electric tourism. Irrigation. Drinking water supply and horticulture also have a direct stake and linkage in the conservation and integrity of the States forest cover for their continued growth. From the national perspective also situated as it is in the fragile Himalayan region, a good forest cover in the State has a strategic role in flood control water regulation and climate mitigation in the neighboring States.

The increasing population and the development needs has brought the forests under tremendous stress. There is an imminent need to maintain the integrity of the existing forest cover on one hand, and to bring more areas under forest cover on other to meet the growing environmental, ecological and social challenges. Under the Sustainable Development Goals (SDGs), the State government has set an ambitious target of bringing 30% of States geographical area under tree cover by 2030. Most of the culturable forest land now available for afforestation lies in the vicinity of villages and habitations facing tremendous biotic pressure. Bringing such land under forest cover without active involvement of local communities may not be successful. It, therefore becomes imperative to involve local communities and have long-term partnership with them for afforesting such land. This partnership with the local communities will go a long way in meeting the SDGs in improving the environment and in enhanced ecosystem services to the local people.

2. The Scheme - Goal and Objectives

The State of Himachal Pradesh has its very large population living in rural areas with traditional bond with nature. This bond needs to be rejuvenated and strengthened towards sustainable flow of ecosystem services from forests, so essential to fulfill day-to-day- household needs of the rural communities. The **“Samudayik Van Samvardhan (SVSY) Scheme envisages Yojna”**rejuvenating this bond by strengthening participation of local communities in conservation and development of forests through plantation of useful plant species and communities is believed to result in achieving the twin objectives of improving the quality. Communities is believed to result in achieving the twin objective of improving the quality of forest and increasing the forest cover leading the enhancement of Eco System Services and also playing a pivotal role in rural economy.

The major objectives of the scheme are as follow:

- Scheme shall aim to provide maximum economic benefit to the member of JFM/VFDSs in the form of valuable Forest Products and other usufruct yielding high economic returns in the market as well as productive usage water.
- To improve the flow of ecosystem service from the forest around villages through community based management of the designated forest.

- To enhance the forest cover in the state on forest land lying in the vicinity of villages through planting of tree species of local importance.
- To rejuvenate the traditional village level institutions related to conservation and sustainable use of natural resources through awareness, education and organization of village communities.

3. Key Components of the Scheme

The key components of the scheme are:

- Identification of suitable open degraded forest area around selected villages for development into forest through active participation of participating Community User Groups
- Strengthening of the capacity of the selected community user groups in development and long term management of forests over the designated forest land.
- Planting the suitable tree species of local importance to ensure sustained and enhanced flow of ecosystem services to the participating community user group.
- Facilitating development of community user group based mechanism towards sharing of ecosystem services from the designated forests and building capacity of the community user groups for putting such mechanisms in place

In the first instance the institutions like Joint Forest Management Committees (JFMCs), Village Forest Development Societies (VFDs) already existing in the State under the instrument of Participatory Forest Management (PFM) Rules 2001, shall be strengthened under this scheme. The successful implementation of the scheme will result in enhanced the sustained flow of grass, leaf fodder, fire wood, small timber and NTFPs to the participating community user groups towards fulfilling their day-to-day household needs and in generating cash income for better livelihoods,

Therefore the following will be the distinct components of this Scheme:

3(a) Organizing and Managing JFMCs/VFDSs

(i) Maintaining database and categorization of JFMCs/VFDSs

About 2000 to 3000 JFMCs/VFDSs have been constituted under various projects and schemes in the State of Himachal Pradesh over the years. Some of these still be active and functioning. Some have become dormant after the culmination of the projects and schemes. All these JFMCs/VFDSs shall be brought under the ambit of this Scheme and their database shall be maintained at HP Forest Headquarter level. Based on their activeness, these will be divided into three categories as **Category A** (very Active), **Category B** (Moderately Active) and **Category C** (Dormant). A computer based application (software) shall be developed by the department to maintain the database.

(ii) Nodal Officer at State Level

A senior officer shall be declared as Nodal Officer in the office of PCCF(HoFF) at Forest Headquarter level. He shall be responsible to maintain the database and also oversee the overall implementation of the scheme in the State. The Nodal Officer shall keep regular communication with the JFMCs/VFDSs through the concerned DFOs. The field staff mainly the concerned Forest Guard shall keep in regular touch with the JFMCs/VFDSs for guidance.

(iii) State and District Level Seminars

The Nodal Officer shall organize State Level and District Level Seminars annually for the members of these JFMCs/VFDSs for information dissemination and knowledge sharing. This will provide a common platform for the JFMCs/VFDSs to bring their issues for discussion and decision making.

(iv) Publication of Newsletter

A New letter shall also be brought by the Nodal Officer through the Publicity Division of the Department which shall be circulated amongst the JFMCs/VFDSs for knowledge update. The member of these JFMCs/VFDSs shall also be encouraged to write short articles and success stories in the Newsletter.

(v) Activities of JFMCs/VFDSs

The JFMCs/VFDSs shall be encouraged to take up other activities apart from those specified in this scheme by using their own funds or by taking loan. They can also take up activities under other scheme to increase their cash income.

(vi) Webpage/Website

A webpage/Website shall also be developed separately for knowledge updates, information dissemination and it will be linked with official web portal of the Government.

3 (b) Developing community plantation models through JFMCs/VFDSs**i) Identification of Scheme Sites:**

All JFMCs/VFDSs formulated in the State of Himachal Pradesh shall be covered and brought under the ambit of this scheme in a phased manner. At the first instance, the scheme will be implemented in the village where JFMCs/VFDSs established under the PFM Rules are already functional. The constitution of the JFMCs will be reviewed and if need be, suitably modified to include right holders.

(ii) Identification and Allocation of Land Banks: Each selected JFMCs/VFDS community user group shall be allocated upto 50 hectare of open/ degraded forest land as close to the village as possible. The period of allocation shall be minimum 25 years and may be kept up to 35 years as some plantation models may take long time for successful establishment. The DFOs shall identify such land for each of the JFMC/VFDS selected by them. Each of the identified land banks shall be (a) properly demarcated on ground, and (b) fenced with barbed wire. Geo-coordinates of the fenced area shall be recorded and polygons prepared for satellite based monitoring.

iii) Development and Management of Land Bank: The JFMC will formulate Forest Management Plan for the selected forest area. For initial mobilization of community member and facilitating formulation of Management plan a village Group Organizer will be identified and engaged by the JFMC/VFDS for a suitable period and funding support in the form of honorarium amounting Rs. 2000/- per month shall be provided under the scheme by the Forest Department. The Forest Guard and Block Officer of the selected forest area will be associated with the JFMC/VFDSs as technical members in the executive Committee. For providing technical input to the committee in the preparation of management plan as also for its implementation. One nominee of the local Biodiversity management committee (BMC) will also be associated as member of the Executive Committee of JFMC. The Technical Members will also ensure that the management plan is prepared in consonance with working plan prescriptions and other technical guidelines of the department. The Block officer will also be the Treasurer of the JFMC.

The management plan will incorporate all works required to be undertaken for the conservation rehabilitation and improvement of selected forest area and major focus would be to raise various plantation models yielding high economic returns so as to provide economic benefits to the members of JFMC/VFDS. Some of the important species of commercial significance include Anardana (*Punica granatum*) Chilgoza (*Pinus gerardiana*), Burashphool (*Rhododendron arboretum*), Kafal (*Myrica exculenta*), Bamboo for baskets (*Arundinaria* spp: *Dendrocalamus strictus*), Chuli, Harar, Amla etc. The plantation of following types for higher economic returns is suggested.

- (a) Maintaining high nutritional value & higher yielding Grass lands.
- (b) Plantation high value Non-timber Forest Produce Species.
- (c) Plantation of high value Fruits & Fodder Species.

- (d) Medicinal plants of high economic value.
- (e) Plantation of valuable timber species.

Some of plantation models of the types as suggested above shall take some time for successful establishment during the initial years. The management plan shall include the various components needed to develop such plantation models yielding high economic returns and enhancing water availability. The JFMCs/VFDSs shall also be allowed to develop plantation model having species of purely environmental and ecological importance, if they pass such resolution.

Amongst the planned activities, water conservation shall also be given high priority. The interventions required for water conservation such as Check Dams, Water Harvesting Structure, maintaining watershed for rejuvenating, Water Springs and Streams shall be provided in the plan which shall benefit in enhancing water availability for plantation, agriculture & horticultural crops and other productive usages. Wages for the activities planned in the Management plan shall be paid under this scheme in accordance with the provisions made in the plan as per department norms till successful establishment and reaching of these plantations in harvesting stage.

Other interventions like soil conservation measures, fire protection measures, removal of obnoxious weeds like lantana, development of multi layered forest, development of silvi pastoral areas etc. will be planned and proposed for the selected forest area. The plan will also incorporate community regulations with respect to fire protection and control, poaching,

collection and extraction of medicinal plants & grazing etc. which may have a bearing on the rehabilitation improvement of selected area. A detailed year wise work schedule required to be implemented along with its cost structure will be included in the plan. The financial projection in the management plan will be based on prevailing cost norms of Forest Department. The JFMC/VFDS may further identify user groups and incorporate their plans in the Management plan. In such an eventuality, the interventions connected with a user group will be implemented through the concerned user group under the overall supervision of JFMC/VFDS.

The management plan prepared by JFMC/VFDS will be submitted to the concerned Range Officer for its technical scrutiny. The Range Officer will evaluate the management plan technically and financially and will ensure that the proposals are in consonance with requirement of selected area. Objectives of the Scheme and overarching departmental guidelines. If the management plan requires some modifications, the Range Officer in consultation with JFMC will get those changes effected in the Management plan and then after recording his recommendation on the plan will return it to JFMC. The Management plan thereafter will be submitted to Divisional Forest Officer for final approval.

The Divisional Forest Officer after scrutiny, and if need be with modification will approve the Management Plan and will send the approved copy to the concerned JFMC. On receipt of approval of Management Plan, the JFMC will start implementation of the approved Management plan.

iv) Scale of implementation:

In the first year the scheme will be implemented in 20 selected locations in the state covering as many agro-climatic Zones as possible. The scheme will be up-scaled in a phased manner in subsequent year by bringing in new location each year .The annual Outlay of the scheme for subsequent years will be determined on the basis of Management Plans to be formulated for the selected sites and the new sites being taken up in each subsequent year. However, the Forest Department will target to provide at least Rs. 10 Crore annually for this scheme in the subsequent years.

v) Implementing Officers: The scheme shall be implemented by the concerned Divisional Forest Officers under guidance of the concerned Conservator of Forests.

vi) Engaging of Labour

Sometimes, the local people are engaged in their own household, agricultural and horticultural activities. In these circumstances, they may not be able to work in the plantations under this scheme. Therefore, the JFMCs/VFDSs shall be allowed to engage Labour in such areas for short periods as per requirement.

3(c) Sensitization and Awareness building

The JFMCs/VFDSs shall be sensitized and awareness building shall be done amongst public for better management of forest area in and around scheme sites. The forest conservation issues like prevention and control of forest fires, illegal felling, illegal harvest of medicinal plants etc. shall be addressed through awareness programmes. The DFOs shall give funds to the **Category A** JFMCs/VFDSs maximum upto Rs 10000 each per annum for carrying out sensitization and awareness campaign amongst local people under this scheme. The **category A** JFMCs/VFDSs shall also be encouraged to carry out sensitization activities under other schemes.

3(d) Creation of Market linkages and setting up of processing facilities

Small processing unit shall also be set up by JFMCs/VFDSs individually or by few JFMCs/VFDSs collectively for value addition in the forest produce. Concerned DFOs will also facilitate in developing market linkages for selling of produce at better prices for higher economic returns. For this DFOs will facilitate so that grant, loan can be made available under any government scheme. For capacity building and visits to markets or study tours, funds of Rs. One lakh per annum will be kept at the level of State Nodal Officer who will release funds as per need.

3(e) Raising of Nurseries by JFMCs/VFDSs

Some JFMCs/VFDSs shall be encouraged for raising nurseries. Some of the interested Category A JFMCs/VFDSs can apply for grant. They will be provided a grant by the concerned DFO for raising of nurseries of high economic value plants such as Junglee Anar(*Punica granatum*), Juglans species (Walnut), Kainth (Pyrus pashia for using as root stock for pears), Medicinal Plants etc. Rs One lakh shall be provided by the concerned DFO in three installments for nurseries of 10,000 seedlings or more. First installment of Rs. Forty Thousand will be paid and thereafter Rs thirty Thousand will be paid after every six months. Nursery raising will be a commercial activity of the JFMCs/VFDSs. Apart from using the plants raised in these nurseries in developing the plantations over the allocated sites, they can also sell these plants to the public or institutions for cash income in order sustain the nursery on long term basis. They have to become self-sufficient. Thus those nurseries who take the grant will have to survive and provide plants in the long run. They can charge for the plants.

4. Scheme Period

Forestry being a long gestation activity, this scheme will be operated on a long-term basis as it will form an integral part of forest management in the State. Initially the Scheme is being launched with a plan period of 25 Years. However, to build in the learnings from the implementation of the scheme, the scheme will be reviewed in the 10th year and necessary modifications if any would be incorporated. The Management Plan developed under the scheme will be formulated for an initial period of 5 years and shall be revised every 5 years.

5. Budgetary Outlay for the Scheme

For the year 2018-19, a provision of Rs. 2 Crore has been made for this scheme. Efforts will be made to dovetail the scheme into externally aided projects and schemes for up scaling.

6. Fund Flow Mechanism

Based on the approved Management Plan, the JFMCs/VFDSs in consultation with Technical members will prepare Annual Plan of Operations (APO) for each year and will submit it to the DFO

for the sanction of Budget for a Financial Year. The proposal for a financial year will be submitted by the end of December of previous year so that Forest Department could make appropriate provisions for the scheme in its budgetary projections. The DFO may modify the APO on technical considerations or on account of funds positions. The DFO will convey the approved APO and allocation of budget to the concerned JFMCs/VFDSs as soon as the budgetary allocations for the financial year are received by him for the state Government. The budget as per the APO and allocation of budget to the concerned JFMCs/VFDSs as soon as the budgetary allocations for the financial year are received by him from the State Government. The budget as per the approved APO, will be released and deposited into the account of concerned JFMCs/VFDSs in the shape of Grant -in -Aid. The JFMCs/VFDSs will get the works executed at its level by preferably engaging willing local community members. On completion of a particular work, the same will be measured and certified by concerned Forest Guard. The Bank account of the JFMCs/VFDSs will be operated with the joint signatures of President of JFMCs/VFDSs and Treasurer. All payments will be made by JFMCs/VFDSs by Direct Benefit Transfer (DBT) into the account of concerned payee. At the completion of each work approved in APO, the JFMCs/VFDSs will submit a completion report and Utilization Certificate (UC) to DFO for record.

7. Direct Benefits to the Participating Community Groups

The participating community groups shall have many direct benefits from the Scheme, which include-

- (a) Wages to members of the community user groups towards implementation of various scheme activities.
- (b) Entitlement to ecosystem services including grass, leaf fodder, medicinal herbs, small timber, fire wood, water from check dams, etc. from the designated forest are managed by the group. No fee royalty shall be charged on use of such ecosystem services from the designated area.
- (c) Eligibility for participating in the annual award scheme for best performing community groups.
- (d) For benefit sharing, out of total income from sale of fruits, fodder, medicinal plants and NTFPs, 90% amount shall be distributed amongst the beneficiaries i.e. the members of JFMCs/VFDSs on equitable sharing basis and remaining 10% shall be retained by the concerned JFMCs/VFDSs to meet their expenses of miscellaneous activities like meeting, workshop etc. The JFMCs/VFDSs will formulate its own procedures for equitable distribution of benefits.

8. Institutional Tie Ups

The institutions like Himalayan Forest Research Institute, University of Horticulture and Forestry, Nauni. IHBT Palampur shall be involved for providing technical knowledge, guidance and imparting training to the JFMC

9. Monitoring and evaluation

Result of the scheme shall be visible only implemented-term on basis long. The scheme shall be re concerned officer of the onitoring department of shall the Sc third-party evaluation will be done before its scheme. External Agencies will be engaged f finding-party of third assessment identifying shall be the used chemefor ifmo review.

Himachal Pradesh Forest Department Van Smaridhi Jan Smaridhi

(A Scheme to enhance economic returns to the rural households, engaged in collecting and selling of Non-Timber Forest Produce (NTFP) including medicinal plants through interventions at strengthening the wild NTFP resource base and improving post-harvest handling, valued addition and marketing)

1. Introduction

Non-Timber Forest Products (NTFPs) including medicinal plants, in addition to forming an important resource base for a variety of industrial products, play a very significant role in the local rural livelihoods. Himachal Pradesh is privileged in having a bountiful of NTFPs housed in its varied forests spread across its different agro-climatic zones. Of the 3500 odd higher plant species recorded in the State, 1489 species have been recorded to be used as NTFPs. These naturally occurring NTFPs including edible items, fodder, fuel wood, small wood for agricultural implements medicinal plants, roofing material, basketry material, fiber for ropes, etc, form the mainstay of rural livelihoods.

In Himachal Pradesh, as per the forest settlements, the right to collect NTFPs from forests vests in the local communities, who in accordance with the management regulations prescribed under forest working plans are free to collect NTFPs for domestic use and for trade. Most of the wild collected NTFPs like grass and leaf fodder, small timber for making agricultural implements; bamboo for basketry leaves for plate making firewood, etc are collected for consumption at household level and for local sale. Some of the NTFPs are in good commercial demand and are traded; providing a good opportunity to the rural communities to earn significant percentage of their annual cash income from their sale. Some of the important NTFPs of commercial significance include Anardana (*Punica granatum*), Guchhi (*Morchella esculenta*), Chilgoza (*Pinus gerardiana*), Burashphool (*Rhododendron arboretum*), Kafal (*Myrica esculenta*), Bamboo for baskets (*Arundinaria spp*; *Dendrocalamus strictus*), and many species of medicinal plants. Collection and sale of these wild NTFPs is estimated to contribute 20-25% of annual household incomes to rural households in the state. For many households, especially the ones with little or no agricultural land this cash income is very crucial for their sustenance.

The collection of NTFPs in commercial demand and their sale, however, suffers on two counts. Firstly, the wild collection of NTFPs in the state is a highly opportunistic, individualistic and unorganized activity, often resulting in over harvesting putting the resource under stress. Wild populations of many NTFP species, especially the medicinal plants, have drastically declined due to such non-sustainable wild harvest. Secondly, the individualistic and unorganized approach makes the trade of wild collected NTFPs exploitative, resulting in low return to the gatherers. The individual collection and sale of NTFPs also precludes any value addition at the level of the community in terms of collectively grading, drying or packaging. With village level processing and value addition being limited to use of simple and often old technologies for oil extraction, most of the NTFP material is, thus, procured by the traders, working through layers of local agents, at the doorsteps of collectors in raw form at prices determined by the traders. Most of the value addition in form of proper drying, grading and packaging is, thus, done by the traders, often outside the state, depriving the wild gatherers of the benefits they could have taken from such processing at the end.

The issue needs to be addressed at two levels. Firstly, the NTFP resource base in the State needs to be strengthened, and secondly, the local communities need to be organized and their capacities built in post-harvest handling and primary value addition to the wild harvested NTFPs and medicinal plants before selling to traders. It would need building institutions around responsible collection of NTFPs,

value addition to collected harvest, and to pilot initiatives on conservation and propagation of these valuable resources in the forests and outside the forests.

2. The Scheme

Forests in Himachal Pradesh, spread over 2/3rd geographical area of the state and forming home to about 90% of its NTFP species, form the largest productive land resource in the State with excellent potential to strengthen the NTFP sector. The forests also provide equal access to its people, especially to the rural poor with little or no agricultural land, who have substantial dependence upon the forest resources. Developing forest land based NTFPs is, therefore, likely to result in more equitable enhancement of income of the poor sections of the society.

Thus this Scheme of the Himachal Pradesh- Gov 2018” aims at addressing the ourcetwinbase inissuestheState of through active participation of Community User Groups, and (b) building capacity of Community User Groups (CUGs) in sustainable harvest, post- harvest handling and value addition to wild harvested NTFPs for enhancing economic returns.

3. Goals & Objectives

The ‘Van Samridhi, Jan Samridhi’ Scheme aims households engaged in collecting and selling NTFP including medicinal plants throughinterventions at strengthening the wild NTFP resource base and improving post- harvest handling, value addition and marketing.

To achieve this objective the scheme takes into cognizance the land-use pattern in the state, the type of dependence of communities on NTFPs, the diversity of commercially important NTFPs, traditional NTFP trade practices and the infrastructure availability in the state and is based on the following

- i) That the forest land, including the degraded one, provides the best opportunity to develop as NTFP resource banks, both for household consumption and for trade.
- ii) that the local communities, especially the ones having significant dependence on NTFPs and medicinal plants, have the biggest stake in developing its resource base in the State and shall be involve as co-managers in the resource augmentation process.
- iii) that development of NTFPs and medicinal plants would be based on the principle of optimum retention of economic value of the NTFPs within the state by adding quality and value.
- iv) that the marketing of NTFPs will be based on the premise of turning the present exploitative ‘Buyer’s Market’ to value added and remunerat

4. Major Scheme Components:

The major components of the Scheme are-

a) Identification and formation of Community User Groups (CUGs)

Identification and formation of CUGs by the Biodiversity Management Committees and formation of clusters for capacity building & other works.

b) Allocation of forest areas to CUGs

Allocation of forest areas to each CUG and involving them NTFP resource strengthening in the allocated forest areas.

c) Multilayered augmentation plantations to strengthen NTFP resource base

Strengthening of resource base of NTFPs by CUGs in identified forest areas in vicinity, through multi-layered augmentation plantations/cultivation of native NTFP & medicinal species. For this nurseries of various NTFP species shall be developed.

d) Harvesting, postharvest handling and developing marketing facilities

Standardizing wild harvest and postharvest handling methods viz. cleaning, drying, grading, packaging, certification, etc., for select NTFP species and setting up facilities for post harvest handling and value chain development at select pilot locations. Development of marketing facilities.

e) Developing Geo-Indicating brand name

Developing a common Geo-Indicating brand name for the select NTFPs & creating data base as well as literature.

5. Involvement of Biodiversity Management committees

Biodiversity Management Committee (BMC) is constituted under the ambit of HP State Biodiversity Board (HPSBB) in accordance with the Biological Diversity Act, 2002. It consists of a Chairperson and six persons nominated by the local body, of whom one third are women and not less than 18% are scheduled castes/scheduled tribes. Their main function is to prepare, maintain and validate People's Biodiversity local people. The BMC is to maintain a Register giving information about the details of the availability and knowledge of local biological resources which includes medicinal plants, their use or any traditional knowledge, details of the collection of fee imposed and details of the benefits derived and the mode of their sharing.

Biodiversity Management Committees (BMCs) prepare inventories of medicinal plants which are locally collected and sold in the market. HP State Biodiversity Board has constituted 604 Biodiversity Management Committees (BMCs) in different Gram Panchayats of the State. Though these BMCs have been constituted in all the 12 districts of the state, however, the Board, in the first phase, targeted 6 most biodiversity rich districts namely Chamb, Kulluy, Shimla, Sirmour, Kinnaur and Lahoul & Spiti. This existing set up of BMGs in the State shall be involved for identification and creation of Community User Groups. The scheme would be implemented through members of CUGs who will carry out plantation/cultivation, regeneration and will sustainably manage, collect and sell NTFPs including medicinal plants produce for higher returns to improve their livelihoods.

6. Scheme Period

Forestry is a long gestation activity and requires long-term plan for effective result. The initial period of the Scheme has, therefore, been kept at 20 years (April 2018 to March 2038) to afford opportunity to the participating Community User Groups for effective involvement and benefit sharing from the scheme.

7. Scheme Area

The scheme shall be applicable to the entire state of Himachal Pradesh.

8. Budgetary Outlay for the Scheme

For the year 2018-19, an initial annual outlay of Rs. One Crore has been kept for the Scheme. Higher outlay shall be provided in future. Efforts will be made to dovetail the scheme with Externally Aided Projects and other schemes for up scaling. The indicative break-up of the budget outlay for the year 2018-19 shall be as under:

S.No.	Particulars	Amount (INR Lakhs)
1.	Creation and organizing of CUGs (L/S)	4
2.	Seed money @ Rs. 10,000/- per CUG [10 Forest Divisions X 3 clusters X 4 CUGs]	12

	Setting up of NTFP & Medicinal Plant Nurseries [7 NOs. X Rs. 6,00,000/-]	42
3.	Creation of revolving fund for procurement by HPSFDC Ltd.[Rs. 10,00,000/- per year for five years]	10
4.	Seed money for private entrepreneurs, NGOs/Societies for procurement & branding [Rs. 1,00,000.00 per entity for 5 entities]	5
5.	Subsidy for setting up of Processing Units[25% for machinery & equipment costs subject to max. of five lakhs for 4 units]	20
6.	Training & workshop	5
7.	Miscellaneous Expenses	2
	Total Amount [INR in Lakhs)	100

Note: Resources of JadiButi Cell under JICA Project and other EAPs shall also be utilized

9. Implementation Mechanism

The scheme shall be implemented as follows:

- a) **State Nodal Officer:** The Additional Principal Chief Conservator of Forests (Research & Training) shall be the Nodal Officer for implementation of the Scheme, and shall be responsible for steering the scheme.
- b) **Implementing Officers:** The scheme shall be implemented by the concerned Divisional Forest Officers under guidance of the concerned Conservator of Forests.
- c) **Creation of Community Users Groups under the umbrella of BMC**

The BMCs shall identify the local people having rights and who actually collect the NTFPs including medicinal plants to form Community User Groups. Those local people who are interested in collection of NTFPs & medicinal plants shall also be included in the Community User Groups. The poor people having less other means of livelihood are generally involved in collection activities. The of the JICA project and the concerned Forest Guard shall facilitate formation of Community User Groups. HP Sate Biodiversity Board may also be associated information of Community User Groups. The members of the CUG shall elect their Head. One member of the CUG shall be nominated as Treasurer by the DFO to maintain the accounts and other records relating to funds. Treasurer should be educated and preference be given to a member who has interest in medicinal plants. A member who is retired Government employee may also be considered for nomination as Treasurer. The CUG shall open their account in the Bank and it shall be operated with two member signatures i.e Head & Treasurer. The data of such Community User Group (S) shall be maintained by the BMC through the concerned Forest Guard who is also the Secretary of BMC.

d) **Organizing Community User Groups (CUGs)**

CUGs shall be organized to form clusters to produce commercially viable quantities of NTFPs and medicinal plant produce from each cluster. The Divisional Forest Officer(S) shall organize minimum 2-3 such cluster(s) in their Divisions, each cluster comprising of several CUGS collecting similar NTFPs and medicinal plant produce. Forest Divisions having naturally abundant NTFPs and medicinal plants of high economic value in six most biodiversity rich districts namely Chamba, Kullu, Shimla, Sirmour, Kinnaur and Lahoul&Spiti shall be taken up initially under the scheme. More Forest Divisions shall be included and number of cluster per year shall also be enhanced subsequently on successful standardization of NTFP development mechanism.

e) Allocation of Land Banks to CUGs

Each CUG shall be allocated the forest areas for NTFP management which may vary in size depending on availability in their vicinity for strengthening resource base of NTFPs including medicinal plants through augmentation, plantation/cultivation. The DFO(s) shall identify such areas for each of the CUGs identified and organized by them.

f) Multi-layered plantations

The plantation/cultivation model for strengthening NTFP & medicinal plants resource based on the forest areas allocated to the CUGs shall be a multi-layered plantation method in which a combination of native trees, medicinal shrubs and/ or herbs of high economic value shall be planted/cultivated. For example, *Daru (Punica granatum)* or *Amla (Phyllanthus emblica)* could be the tree. Species, with which shrub species like *Timbre (Zanthoxylum armatum.)* and/ or perennial herb species like *Shatavari (Asparagus adsendens)* can be planted. The other plantation models could be *Harar (Terminalia liachebula)*, *Bahera (Terminalia bellirica)*, *Amla (Phyllanthusemblica)* with *Shatavari (Asparagaus racemosus)*; *Tejpattta (Cinnamomum tamala)* with *Karipatta (Murraya koenigii)*; *Chuli (Prunus armeniaca)* with *Timbre (Zanthoxylum armatum)* and medicinal herbs (*Valeriana spp, Hedychium spp.*) etc.

These plantation models can be modified to fit in trees, shrubs and herbs in the same patch. Similarly, shrubs can be planted along boundary to create live hedge. The model also provides flexibility of planting different layers of species over more than one year.

A seed money of Rs. 10,000/- shall be released by the concerned DFOs to each participating Community User Group as Grant –in –Aid (GIA) to meet their miscellaneous expenses for carrying out plantations and their maintenance. No wages are to be paid. This will remain as a revolving fund with the group and shall be recouped from the sale amount of NTFPs and medicinal plants. Plantation of indigenous species shall be encouraged. The Forest Department shall provide the planting stock from its designated nurseries.

g) Nurseries of NTFP & Medicinal Plant Species

Medicinal plant nurseries shall also be developed under this scheme to meet the demands of medicinal plants and other NTFP species for cultivation/ plantation. High yielding varieties shall be raised in these nurseries for plantations by the Community User Groups for higher yields. Dedicated nurseries for NTFPs and medicinal plants for catering to the demand of plants under this scheme shall be set up and maintained by the department. These nurseries shall be supported financially under this Scheme as well as Externally Aided Projects. In addition to this, wherever possible, nurseries developed under Externally Aided Projects shall also cater to the demands for plantation/ cultivation of NTFP/ medicinal plants by the Community User Groups.

h) Collection of NTFPs & medicinal plants by CUGs

It is of paramount importance that medicinal plants are not over exploited and should be collected in such a manner that its wild populations are not threatened. Collection shall be done only by the local right holders who are members of Community User Groups. No external labour shall be deployed unless allowed by the Community User Group. It shall be the duty of the members to ensure scientific exploitation and they will protect the seed & plants to ensure that the crop is maintained in the long run. The species, time of collection, quantity to be extracted and method of collection shall be decided by the BMC. The concerned Forest Guard shall give permit and monitor the collection by the members of Community User Groups. No outsiders will be allowed.

i) Procurement of NTFPs including Medicinal Plants

The HP State Forest Department Corporation Ltd. Shall be the Nodal Agency for procurement of NTFPs mainly including medicinal plants under this Scheme. Private Entrepreneurs, Societies/ NGOs

working in this field shall also be involved for procurement and branding. A seed capital shall be provided for these procurement agencies to build a revolving fund. These agencies shall develop marketing linkages and procure the produce from the Community User Groups at better prices for further trade in the market. In the Forest Corporation, revolving fund of Rupees One Crore shall be built up in a phased manner over a period of 5 years. Initially an amount of Rupees Fifty Lakhs shall be provided to the Forest Corporation in instalments and they will further enhance this fund upto Rupees One Crore by gaining interest and adding their own income from the sale amount. The Forest Corporation shall maintain separate account for this revolving fund and will not use it for any other payments. This revolving fund shall be recouped from the Sale amount of NTFPs and medicinal plants. The Forest Corporation shall also link it up with Minimum Support Price for Minor Forest Produce Scheme of GOI implemented through Tribal Co-operative Marketing Development Federation of India Limited (TRIFED). The State Government has already declared the Forest Corporation as its Procurement Agency under the Scheme.

The Private Entrepreneurs, NGOs/Societies working in this field shall be given seed funds upto Rs One Lakh for procurement and branding for which they have to render regular accounts to the department. They shall also be facilitated to establish infrastructure from the Externally Aided Projects for procurement.

j) Subsidy for setting up of Processing Units

Subsidy up to 25% of the cost of machinery & equipments subject to a maximum of Rs Five Lakhs per unit shall be given by the Department under this scheme for establishment of processing units by the Community Users Groups individually or collectively .

k) Capacity Building

The Capacity building of the Community User Groups shall be done mainly through the Project Staff under the JICA project. *Jadi-Buti* cell proposed under JICA project shall play a major role in building capacity of the Community User Groups. For capacity building, the main focus shall be cultivation techniques of high yielding varieties, extraction techniques both for cultivation & wild species and post-harvest processing skills for value addition at local level in order to fetch better market price. The Forest Department shall also organize training programmes to build capacities of the Community Users Groups under this scheme.

l) Involvement of *Jadi-Buti* (Medicinal Plants) Cell proposed in JICA Project.

Setting up of a *Jadi-Buti* Cell is envisaged in PMU of JICA project during first Year of the project launching. This Cell will coordinate activities on NTFPs including medicinal plants. The key function of the *Jadi-Buti* Cell are proposed as under:

- Create a brand for the medicinal plants produces in Himachal Pradesh and take up necessary actions for brand promotion at state, national and international level.
- Work on value chain development of key high altitude medicinal plants.
- Undertake advocacy for changes in the policies, legal and operative framework for value chain development of medicinal plants
- Play a facilitating role in procurement and trade of medicinal plants in the state and ensure consistent supply to the pharmaceuticals and other industries.
- Carry out market research on a regular basis and establish market information system.
- Work with other stakeholders to promote conservation, resource development and sustainable management of medicinal plants with a focus on high altitude medicinal plants.
- Carry out widespread campaign for plantation /cultivation of high altitude medicinal plants in order to make Himachal Pradesh and assured source of supply of important medicinal

plants/ products to the pharmaceutical industries in the country.

- Collaborate with research institutes for developing agro-techniques for selected high altitude medicinal plants and sustainable harvesting protocols for selected medicinal plants, and popularization of agro-techniques and sustainable harvesting protocols.
- Facilitate institutional development of producer organisation through training, capacity building and access to business development service.

Therefore, linkage of this scheme shall be developed with the *Jadi-Buti* Cell for procurement, value addition, branding and marketing. This Cell will play a major role in building capacity of the Community User Groups by collaborating with research organizations and experts in cultivation of high yielding varieties, sustainable harvesting and marketing. The Cell will also develop a system about the current rates and market availability and information shall be sent to the members of Community Users Groups through mobile sms and emails. HP State Biodiversity Board may also be associated for marketing linkages.

10. Fund Flow Mechanism

The concerned DFO will prepare Annual Plan of Operation (APO) along with requirement of funds for each year in consultation with respective BMS/Community User Group and will submit it to the PCCF (HoFF) through concerned Conservator of Forest for the sanction of Budget for a Financial Year. The proposal for a financial year will be submitted by the end of December of previous year so that appropriate budget provisions are made in advance for the Scheme in its budgetary projections. The PCCF(HoFF) will convey the approved APO and allocation of budget to the concerned DFO. The budget shall be spent by the DFO as per the approved APO.

Preferably, the members of CUG shall be engaged by the department for carrying out various activities such as setting up of nurseries under the scheme. The budget such as seed money meant for the CUG as per the approved APO, will be released by the concerned DFO and deposited into the account of concerned CUG in the shape of Grant-in Aid. The Bank account of the CUG will be operated with joint signatures of the Head of CUG and Treasurer. The CUG will get the works of plantation and maintenance executed at its level preferably by the willing members of the CUG engaging other labour. The plantation and maintenance in the allocated land banks will be monitored by concerned Forest Guard who is Secretary of the BMC. CUG shall initially maintain the seed money of Rs 10,000-00 as its revolving fund and it will be enhanced gradually to an amount of Rs 50,000-00 from subsequent grant from the department, sale amount of NTFPs & medicinal plants. Based on performance of CUGs and proper utilization of seed money, the department shall consider release of grant upto Rs 10,000-00 each year from second year onwards till it reaches Rs 50,000-00. The CUG will submit a completion report and Utilization Certificate (UC) for the funds received as Grant-in-Aid to DFO concerned for record.

11. Benefit Sharing

For benefit sharing, out of total income from sale of NTFPs and medicinal plants, 90% amount shall be distributed amongst the beneficiaries i.e. the members of CUGs on equitable sharing basis and remaining 10% shall be retained by the concerned BMC to meet their expenses of miscellaneous activities like meeting, workshops etc. of BMC & user groups. The BMC will formulate its own procedures for equitable distribution of benefits.

12. Monitoring & Evaluation

The monitoring and evaluation of the scheme shall be done by engaging a third party. The findings of third-party assessment shall be used for modifying the scheme if needed after its review.

**HIMACHAL PRADESH GOVERNMENT
FOREST DEPARTMENT**

NOTIFICATION

No. Ft. 29-241-BB/49.

Dated Simla-4, the 25th February, 1952.

In exercise of the powers conferred by section 29 of the Indian Forest Act. (XVI of 1927) as applied to Himachal Pradesh, read with the Government of India, Ministry of States Notification No. 146-J dated the 6th December, 1950, the Chief Commissioner, Himachal Pradesh is pleased to declare the provisions of Chapter IV of that Act "which are the property of Govt. or over which the Government had proprietary rights or to the whole or any part of the produce of which the Government is entitled as recorded in the Forest Settlements or land revenue settlements or land revenue records of the integrated states, or otherwise, except to the following areas:-

*Applicable to all forest lands or waste lands in Himachal Pradesh.

1. Rantu Saliana, Chambi Kupar, Kolala and Temru of Kotichai ilaqa and Nagkehu of Kotgarh ilaqa declared as reserved forests in the Punjab Govt. Notification No. 175 dated 15th April, 1885;
2. Chamba State forests declared reserved forests vide Chamba Darbar's Notification No. W-76-43, dated the 10th Nov., 1945.

Sirmur State Forests declared reserved forests Sirmur Darbar's Notification:-

1. No. 1 dated the 17th Jaith, 1968 Bikrami
2. No. 2 dated the 23rd Chait, 1991 -do
3. No. 14 dated the 17th Sawan, 1990 -do
4. No. 38 dated the 27.12.1992 -do
5. No. nil dated 1st Chait, 1937 -do
6. No. nil dated 1st Chait, 1947 -do
7. No. II dated 2nd Poh, 1949 -do
8. No. I dated 17th Jaith, 1952 -do
9. No. Nil dated 11th Bhadon, 1992 -do

2. This notification applies to all lands in old Mandi State containing the growth except such lands have been excluded in the forest settlement as cultivated or as in the Malguzari of a private person.

By order

Sd/-

C.C.F. and Secretary (Forest Department)
to the Commissioner, H.P., Administration.

No. Ft. 29-241-BB/49
