

Dear All, (to ALL CFs and DFOs (T and wild life)

Attached are the photos of layout of the Operation Theatre OT and other facilities such as pre and post operative blocks , Isolation unit and Feed store etc giving inside as well as outside views of the Model Monkey Sterilisation centre(MSC) at Shimla and at Una,.

This photos are for your guidance and facilitate you to immediately start working on the layout plan of the veterinary centres to be taken over by you for setting up of the new MSCs in your jurisdiction and under your control ,

You shall get some more emails in this regard sending the layout plan of the MSCs giving details of the dimensions of various facilities of the MSCs and estimates for these facilities.

You need to modify these estimates as per your existing ground conditions and the facilities taken over by you from Vet Department ,

You are also requested to visit these centers along with your staff to get first hand information of the facilities to enable you to plan immediately the works to start construction/ modification of the vet facilities taken over by you.

The budget for these centers be asked from PCCF(T) on priority especially the four MSCs to be made operational immediately. These four centres are at Solan (Garkhal), Nahan (Poultry farm near Do Sarka) , Chamba(Bathri) and Mandi(at Slapper- Binog) .

These photos , layout and estimates are also being uploaded on the Departmental web site for east access at all times.
